5. TERM; TERMINATION

5.1 Term. This Agreement shall commence as of the Effective Date and shall continue in effect until either (i) the expiration of the maximum term specified on the Cover Sheet, or (ii) termination of all Schedules, whichever occurs later.

5.2 Termination for Breach. In the event that either Party materially breaches any obligation, representation or warranty under this Agreement, the non-breaching Party may terminate this Agreement in its entirety, or, at the non-breaching Party’s option, it may terminate solely the relevant Schedule pursuant to which such breach has occurred, provided in either case that such breach has not been cured within thirty (30) days after receipt of a written notice of such breach. Without limiting the foregoing, either Party may terminate this Agreement immediately upon written notice to the other Party in the event the other Party materially breaches the provisions of Sections 4 or the license usage restrictions in any Software Schedule.

5.3 Termination for Insolvency. Without prejudice to any other available remedies, either Party may terminate this Agreement immediately upon written notice if (i) the other Party becomes insolvent, files for relief under any bankruptcy law, or makes an assignment for the benefit of its creditors generally or has a liquidator or a receiver appointed over a substantial part of its business or assets or commences to be wound up (other than for the purposes of a solvent amalgamation or reconversion), or (ii) any other circumstances arise in any jurisdiction which entitle a Court or a creditor to appoint a liquidator, receiver, administrator, receiver of assets, or equivalent officer or make a winding up order in respect to such Party.

5.4 Effect of Termination. Upon termination of this Agreement, all Schedules shall automatically and immediately terminate, and all licenses granted under this Agreement shall immediately cease. Upon termination, Customer will immediately discontinue all use of materials licensed under this Agreement, and may return to Blackboard all amounts due and payable hereunder. Each Party (i) will immediately cease any use of the other Party’s Confidential Information; (ii) will delete any of the other Party’s Confidential Information from its computer storage or any other media, including, but not limited to, online and offline libraries; and (iii) will return to the other Party or, at the other Party’s option, destroy or destroy any copies of the other Party’s Confidential Information then in its possession. Without limiting the foregoing, upon termination of any Schedule (including upon termination of this Agreement in its entirety), the provisions of such Schedule regarding the effect of such Schedule’s termination shall also apply.

5.5 Survival. The termination or expiration of this Agreement shall not relieve either Party of any obligations or liability accruing hereunder prior to or subsequent to such termination, nor affect or impair the rights of either Party arising under the Agreement prior to or subsequent to such termination or expiration, except as expressly provided in this Agreement. Without limiting the foregoing, the provisions of Sections 1, 2, 3, 4, 5, 6, 7, 8, and 9 of these Master Terms shall survive the termination of this Agreement for any reason.

6. FEES; EXPENSES

6.1 Fees; Payments. In consideration for Blackboard’s performance under this Agreement, Customer agrees to pay Blackboard all fees required by the Schedules, as applicable, which fees will be due in accordance with the provisions of the relevant Schedules, but in no event later than thirty (30) days after the date of an invoice from Blackboard. Blackboard expressly reserves the right to change the fees payable under any Schedule with respect to any renewal of such Schedule upon expiration of its then-current term. Customer will pay all fees in U.S. dollars. Payments shall be sent to the address indicated on the invoice. Should Customer fail to pay fees on time, Customer agrees to terminate the Initial Term or Renewal Term. Customer will be required to pay a penalty fee to Blackboard equal to the difference of the total discount received for the Term of the product or products being terminated.

6.2 Late Fees. Blackboard may charge interest on any overdue amounts at the lower of (i) the highest permissible rate or (ii) 1.8% per annum, charged at 1.5% per month from the date on which such amount fell due until the date of payment, whether before or after judgment.

6.3 Audit. For the sole purpose of ensuring compliance with this Agreement, Blackboard shall have the right, at its expense, to audit Customer’s use of the Software remotely on at least a quarterly basis. Audits will be conducted in advance of the Initial Term or Renewal Term. Customer will be required to pay a penalty fee to Blackboard equal to the difference of the total discount received for the Term of the product or products being terminated.

6.4 Errors. If Customer discovers any error in Blackboard’s product, Blackboard will remedy such error or promptly change the Software to its reasonable satisfaction. Any such audit shall be during Customer’s normal business hours and shall not be more frequently than once every twelve months, provided that if any such audit reveals a material breach of this Agreement, Blackboard may conduct such audits on a quarterly basis until such audits determine that the relevant breach has been cured. The cost of any such audit shall be borne by Blackboard unless the audit reveals that Customer has underpaid fees due under this Agreement in excess of 1% of the total paid for any calendar year, in which case Customer shall, in addition, reimburse Blackboard the reasonable costs of conducting the audit.

6.5 Credit Card. The fees herein do not include any sales, use, excise, import or export, value-added (“VAT”), goods and services (“GST”), or similar tax or interest, or any costs associated with the collection of withholding thereof or any government permit fees, license fees or customs and similar fees (“Taxes”). levied on the delivery of any Software or Equipment or the performance of Services by Blackboard to Customer. Customer will be responsible for payment of such Taxes at point of sale. If Customer is not exempt from any such Taxes, then such Taxes shall not be charged to Customer upon Blackboard’s receipt of a copy of a copy of documentation acceptable to Blackboard that satisfies the requirements of Customer’s tax authority to exempt such fees from such Tax (such as Customer’s tax exemption certificate or number). All payments due under this Agreement shall be made without any deduction or withholding, unless such deduction or withholding is required by any applicable law, regulation, or rule then in effect. If Customer is required to deduct or withhold, Customer will promptly provide Blackboard with the required information, timely pay the required amount to the relevant tax authority, provide Blackboard with an official receipt, certified copy or other documentation acceptable to Blackboard evidencing payment, and pay to Blackboard the amount to which Blackboard is otherwise entitled under this Agreement.
less the amount required to be deducted or withheld. In the event, and to the extent, that Blackboard is unable to claim an income tax credit for the full amount deducted or withheld (the "Un-recovered Withholding"), Customer shall pay Blackboard, within thirty (30) days following receipt of an invoice from Blackboard, the Un-recovered Withholding.

6.5 Expenses. Except as provided in these Master Terms or any Schedule, each party will be responsible for its own expenses incurred in rendering performance under this Agreement, including, without limitation, the cost of facilities, work space, computers and computer time, development tools and platform, utilities, management personnel and supplies. In addition, if Blackboard is required by applicable law, legal process or government action or for a Customer audit to provide information, files, documents or personnel as witnesses with respect to this Agreement or the products or services provided to Customer by Blackboard, Blackboard shall reimburse Blackboard for any professional time and expenses including reasonable external or internal legal costs incurred to respond to the request, unless Blackboard is a party to the proceeding or is the subject of the investigation.

6.6 Purchase Orders. Customer agrees that if its internal procedures require purchase order confirmation, Blackboard shall promptly notify Blackboard in writing of any such purchase order and inform Blackboard of the number and amount thereof. Customer agrees that the absence of a purchase order, other ordering document or administrative procedure may not be raised as a defense to avoid or impair the performance of any of Customer's obligations under this Agreement, including payment of amounts owed to Blackboard.

7. DISCLAIMERS AND REMEDIES. THE FOLLOWING PARAGRAPHS OF THIS SECTION 7 ARE IMPORTANT LEGAL LANGUAGE. PLEASE READ THESE PARAGRAPHS CAREFULLY AS THEY LIMIT BLACKBOARD'S LIABILITY TO CUSTOMER.

IN NO EVENT SHALL BLACKBOARD'S AGGREGATE LIABILITY FOR ALL CLAIMS ARISING FROM OR RELATING TO THIS AGREEMENT, REGARDLESS OF THE NATURE OF THE CLAIM, EXCEED THE AMOUNT OF FEES PAID BY CUSTOMER UNDER THIS AGREEMENT FOR THE PARTICULAR SOFTWARE, EQUIPMENT AND/OR SERVICE WITH RESPECT TO WHICH THE RELEVANT CLAIM AROSE DURING THE TWELVE (12)-MONTH PERIOD IMMEDIATELY PRIOR TO THE EVENT, ACT OR OMISSION GIVING RISE TO SUCH LIABILITY. In the event that Blackboard exercises option (i) above, it shall have the sole and exclusive authority to defend and/or settle any such claim or action, provided that Blackboard will keep Customer informed of, and will consult with any independent legal advisors appointed by Customer at Customer's own expense regarding the progress and defense of such a claim under Section 8.1 or otherwise for any claim or action alleging infringement or violation of applicable privacy or publicity laws based upon: (i) any use of the Software or Equipment in a manner other than as specified by Blackboard; (ii) any combination of the Software or Equipment with other products, equipment, devices, software systems or data not manufactured by Blackboard (including, without limitation, any software produced by Customer for use with the Software) to the extent such claim is directed against such combination; (iii) the Customer Content, or use of the Customer Content, or any combination of the Software or Equipment with any person other than Blackboard (any of the foregoing, separately and collectively, "Customer Matters").

8.2 Exceptions. Blackboard shall have no liability to Customer under Section 8.1 or otherwise for any claim or action alleging infringement or violation of applicable privacy or publicity laws based upon: (i) any use of the Software or Equipment in a manner other than as specified by Blackboard; (ii) any combination of the Software or Equipment with other products, equipment, devices, software systems or data not manufactured by Blackboard (including, without limitation, any software produced by Customer for use with the Software) to the extent such claim is directed against such combination; (iii) the Customer Content, or use of the Customer Content, or any combination of the Software or Equipment with any person other than Blackboard (any of the foregoing, separately and collectively, "Customer Matters").

9. MISCELLANEOUS MATTERS

9.1 Severability. Should any term or provision of this Agreement be finally determined by a court of competent jurisdiction to be void, invalid, unenforceable or contrary to law or equity, the offending term or provision shall be construed (i) to have been modified and limited
(or if strictly necessary, deleted) only to the extent required to conform to the requirements of law and (ii) to give effect to the intent of the Parties (including, without limitation, with respect to the economic effect of the Agreement), and the remainder of this Agreement (or, as the case may be, the application of such provisions to other circumstances) shall not be affected thereby but rather shall be enforced to the greatest extent permitted by law.

9.2 Conflict Resolution. Except with respect to controversies or claims regarding either Party's Confidential Information or proprietary rights under this Agreement, in the event any controversy or claim arises in connection with any provision of this Agreement, the Parties shall try to settle their differences amicably between themselves by referring the disputed matter to their respective designated representatives for discussion and resolution. Either Party may initiate such informal dispute resolution by sending written notice of the dispute to the other Party, and if such representatives are unable to resolve such dispute within thirty (30) days of initiating such negotiations, either Party may seek the remedies available to such Party under law. Notwithstanding the foregoing, nothing in this Section 9.2 will be construed to limit either Party's rights under Sections 5 and 9.6.

9.3 Governing Law. This Agreement shall for all purposes be governed by and interpreted in accordance with the laws of the State of New York without reference to its conflicts of law provisions, and each Party irrevocably submits to the non-exclusive jurisdiction of the courts in or for the District of Columbia. The U.N. Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. The Uniform Computer Information Transactions Act shall not apply to this Agreement.

9.4 Modification and Waiver. No modification, amendment, supplement, or other change to this Agreement, including, without limitation, changes to any Schedule, will be effective unless set forth in writing and signed by duly authorized representatives of Blackboard and Customer. No waivers under this Agreement will be effective unless expressly set forth in writing and signed by a duly authorized representative of the Party against whom enforcement thereof is sought. The failure of either Party to insist upon strict performance of any provision of this Agreement, or to exercise any right provided herein, shall not be deemed to be a waiver of such provision or right with respect to subsequent claims (unless expressly so stated in a valid amendment or waiver), and no waiver of any provision or right shall affect the right of the waiving Party to enforce any other provision or right herein.

9.5 Assignment. No right or obligation of Customer under this Agreement may be assigned, delegated or otherwise transferred, whether by agreement, operation of law or otherwise, without the express prior written consent of Blackboard, and any attempt to assign, delegate or otherwise transfer any of Customer's rights or obligations hereunder without such consent shall be void. Subject to the preceding sentence, this Agreement shall bind each Party and its permitted successors and assigns.

9.6 Remedies. The Parties agree that any breach of this Agreement would cause irreparable injury for which no adequate remedy at law exists; therefore, the Parties agree that equitable remedies, including without limitation, injunctive relief and specific performance, are appropriate remedies to redress any breach or threatened breach of this Agreement, in addition to other remedies available to the Parties. All rights and remedies hereunder shall be cumulative, may be exercised singularly or concurrently and shall not be deemed exclusive except as provided in Sections 5, 7 and 8. If any legal action is brought to enforce any obligations hereunder, the prevailing Party shall be entitled to receive its legal fees, court costs and other collection expenses, in addition to any other relief it may receive.

9.7 Notices. Any notice or communication permitted or required hereunder shall be in writing and shall be delivered in person or by courier, sent by facsimile or mailed by certified or registered mail, postage prepaid, return receipt requested, and addressed as set forth above or to such other address as shall be given in accordance with this Section 9.7, and shall be effective upon receipt.

9.8 Force Majeure. Except with regard to payment obligations, neither Party will be responsible for any failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts or inability to obtain any export or import license or other approval or authorization of any government authority.

9.9 U.S. Government Users. The following applies to any end user that is a U.S. Government entity. Each of the components that comprise the Software is a “commercial item” as that term is defined at 48 C.F.R. 2.101, consisting of “commercial computer software” and/or “commercial computer software documentation” as such terms are used in 48 C.F.R. Part 12.212. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, all U.S. Government end users acquire the Software with only those rights set forth herein. Contractor/manufacturer is Blackboard Inc., 650 Massachusetts Avenue, NW., 1st floor, Washington, DC 20001. All rights not specifically granted in this Agreement are reserved by Blackboard.

9.10 Export Control. Customer shall not export or allow the export or re-export of the Software, any component thereof or any Confidential Information of Blackboard without the express, prior, written consent of Blackboard and except in compliance with all export laws and regulations of the U.S. Department of Commerce and all other U.S. agencies and authorities, including without limitation, the Export Administration Regulations of the U.S. Department of Commerce Bureau of Export Administration (as contained in 15 C.F.R. Parts 730-772), and, if applicable, relevant foreign laws and regulations.

9.11 Relationship. Blackboard and Customer are independent contracting parties. This Agreement shall not constitute the Parties as principal and agent, partners, joint venturers, or employee and employer.

9.12 Employment. Customer hereby agrees that during the Term, Customer will not, except with prior written approval of Blackboard, directly or indirectly hire (including hiring as an independent contractor) or attempt to solicit for hire, or encourage to end their relationship with Blackboard, any person who is employed by Blackboard or have been employed by Blackboard at any time within one year preceding such attempts to hire or solicit for hire. For purposes of this Agreement, "Blackboard" includes Blackboard Inc. and its subsidiaries.

9.13 Entire Agreement. This Agreement and Exhibits constitute the entire, full and complete agreement between the Parties concerning the subject matter of this Agreement and supersedes all prior or contemporaneous oral or written communications, proposals, conditions, representations and warranties, and this Agreement prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the Parties relating to its subject matter. This means that Customer may not and should not rely on any sales or marketing materials provided to it by Blackboard. Blackboard's only obligations to Customer related to the subject matter of this Agreement are set forth in this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall exclude or restrict the liability of either party arising out of fraud, or fraudulent misrepresentation. This Agreement, and any Schedule thereto, may be executed in counterparts, each of which will be deemed an original, and all of which taken together constitute one and the same instrument. Facsimile signatures will be considered original signatures.

1.12 "Upgrades" means the object code versions of the Software that have been customized, enhanced, or otherwise modified by or on behalf of Blackboard, acting in its sole discretion, to include additional functionality and that have been released with a version number that differs from that of the prior version up to the number in the left of the decimal point (e.g., 3.0 vs. 2.0) and that are not marketed as a separate product or solution.

2. LICENSE
2.1 Grant of License. Subject to the terms and conditions of this Schedule and the Master Terms, Blackboard grants Customer a limited, non-exclusive, non-transferable non-sublicensable right and license (i) to install and use one (1) production copy and one unsupported Test Copy of the Software for one installation at Customer's Designated Server Site; solely in the form of machine-readable, executable object code or bytecode, as applicable, and solely in connection with providing access to Customer Content to Customer's Authorized End Users (unless otherwise expressly stated in the special provisions of the Pricing Summary) and to use the Documentation provided, however, that such Test Copy may be used to the extent required for and for the sole purposes of application clustering and/or load balancing. (a) on a group of production servers, with each server acting as a managed node within such group so that, effectively, the application is deployed on a single logical system host comprised of multiple managed node servers or (b) on multiple managed nodes that are configured and deployed on a single physical host that manages the load and nodes. Customer acknowledges and understands that, in the event it wishes to use the Software for any purposes other than those expressly permitted by the Agreement, including, without limitation, to provide course materials or other content to any end users who are not Customer's Authorized End Users, Customer will be required to obtain additional license rights from Blackboard pursuant to a separately executed Schedule and payment of additional license fees.
2.2 General Usage Restrictions. Customer agrees not to use the Software or Documentation for any purposes beyond the scope of the license granted in Section 2.1 or, if applicable, any special provisions set forth on the Pricing Summary. Without limiting the foregoing, except as expressly...
contemplated in this Agreement, or as otherwise agreed in writing between the Parties. Customer shall not: (i) copy or duplicate the Software or Documentation, provided that, notwithstanding the foregoing, Customer shall be permitted to create one (1) copy of the Software for archival, nonproductive purposes provided that Customer reproduces on the copy all copyright notices and any other confidential or proprietary legends that are on or encoded in the Software; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which the Software is compiled or interpreted; and Customer hereby acknowledges that nothing in this Agreement shall be construed to grant Customer any right to obtain or use such source code; (iii) install or use the Software on any computer, network, system or equipment other than the Designated Server Site, except with the prior written consent of Blackboard; (iv) modify the Software or create any derivative product of the Software, except with the prior written consent of Blackboard, provided that the foregoing shall not be construed to prohibit Customer from configuring the Software to the extent permitted by the Software’s standard user interface; (v) sublicense, assign, sell, lease or otherwise transfer or convey, or pledge as security or otherwise encumber, Customer’s rights under the license granted in Section 2.1, or (vi) use the Software or Documentation to provide services to third parties other than Authorized End Users in the nature of a service bureau, time sharing arrangement or as an application service provider, as such terms are ordinarily understood within the software industry or for any other reason. Customer will not observe, remove or alter any of the trademarks, trade names, logos, patent, trademark, or copyright notices or markings in the Software, nor will Customer add any other notices or markings to the Software or any portion thereof except as permitted by the Software standard user interface. Customer shall not use the Software in violation of Blackboard’s obligations to any third party incurred prior to the Effective Date, provided that Blackboard has notified Customer of such obligation. Customer shall not provide access to the Software to anyone other than Authorized End Users without Blackboard’s prior written consent, provided, however, that Customer may provide access to Blackboard’s Building Blocks’ partners that are subject to a valid Blackboard developer’s license agreement for the limited purpose of installing, maintaining and supporting their Blackboard Building Blocks’ applications. Customer shall ensure that its use of the Software complies with all applicable laws, statutes, regulations or rules promulgated by governing authorities having jurisdiction over the Parties or the Software. Customer warrants that its Authorized End Users will comply with the provisions of this Schedule in all respects, including, without limitation, the restrictions set forth in this Section 2.2. Customer will take appropriate steps to ensure that it and its Authorized End Users do not share access information (including user identification data and passwords) with third parties except as expressly permitted under this Agreement. Under no circumstances shall Customer permit any third party to host the Software.

2.3 Further Restrictions. Customer acknowledges that certain Blackboard Software contains an “Auto Report” feature, which feature provides to Blackboard aggregate usage statistics regarding the Software and Blackboard represents and warrants that the Auto Report feature does not report individually identifiable use information to Blackboard or any third party. Customer will not disable the Auto Report feature of the Software, or undertake any action which has the effect of preventing such feature from operating correctly or the effect of modifying the information reported thereby.

2.4 Interoperability. To the extent permitted by the specifications as outlined in the Documentation for the Software at http://behind.blackboard.com, if the Customer wishes to achieve interoperability of the Software with another software program and requires interface specifications or other information in order to do so, the Customer should request that information from Blackboard. Nothing in this Section 2.4 authorizes Customer to use any interfaces except the Supported Interfaces for the Software level. Customer may not use any Supported Interface in a manner that is inconsistent with the Documentation.

2.5 Third Party Software/Content. Customer acknowledges that the Software may utilize software and/or content made available to Blackboard by third parties, which shall constitute “Third Party Software.” Pursuant to its agreements with these third parties, Blackboard hereby grants to Customer a non-exclusive, non-transferable license to load and/or operate and use the Third Party Software solely in connection with Customer’s own instructional activities.

2.6 Ownership of Software. Blackboard and its licensors shall be deemed to own and hold all right, title and interest in and to the Software, and Customer further acknowledges that it neither owns or acquires any additional rights in and to the Software not expressly granted by this Agreement, and the right to use the Software for any purpose in Blackboard’s sole discretion.

2.7 Expansion of Licensed Use. Blackboard Software is priced annually based upon Blackboard User Bands. Blackboard User Bands are comprised of the FTE (as defined below) of licensing institution PLUS the number of Users in outside programs. Pricing is based on Customer’s FTE. Customer agrees that the FTE provided to Blackboard is correct and accurate to the best of its knowledge. For the Software on this Schedule, Customer’s license for the Software on this Schedule shall be expanded in increments as indicated below and Blackboard will assess additional license fees for increases in Customer’s FTE. Blackboard’s User Bands are as follows:

<table>

<tr>

</tr>
<tr>

</tr>
<tr>
<td>32,000</td>
</tr>
<tr>
<td>64,000</td>
</tr>
</tbody>
</table>

Additional bands of 25,000 will be priced separately.

“FTE” or “Full Time Equivalents” is defined as the number of full-time students plus half of the part-time students. To the extent that Customer desires nontraditional students, including without limitation, faculty, staff, alumni, continuing education students or participants in community outreach or non-degree bearing courses to utilize the Blackboard Software, the total number of such other users shall be communicated to Blackboard and be priced separately when the combined numbers of such other users exceed ten percent (10%) of the total FTE number reported by Customer. Notwithstanding the foregoing, the Authorized End Users defined in subsection 6.1 of Section 1.3 will not count toward the ten (10%) percent excess as outlined herein.

Blackboard’s assessment of additional license fees will be in accordance with Blackboard’s then-current pricing. In the event of growth related to a Customer merger or acquisition, Blackboard’s assessment of additional license fees will be in accordance with Blackboards then-current pricing.

2.8 Ordering Procedure. Once the Agreement has been signed, should Customer desire to license additional Software solutions or Equipment from Blackboard, Customer may do so by providing a purchase order to Blackboard. The request for purchase/upgrade shall be made to Blackboard, via fax at 202-318-2619, pursuant to the Agreement and shall include:

(a) A purchase order
(b) A description of the product(s) and/or solution(s) desired

3. DELIVERY
Unless otherwise agreed by the Parties, as soon as commercially practicable after the Schedule Effective Date, Blackboard will make available a copy of the Software for downloading from the Internet by Customer for purposes of installation by Customer, and delivery of the Software shall be deemed complete when Blackboard notifies Customer that the Software is available for download. Customer acknowledges that the download site will be made available to Customer for a period not longer than thirty (30) days from the date of such notice, and Customer will have no right to download the Software after this thirty (30)-day period.

4. FEES
In consideration for the services provided and licenses granted in this Schedule with respect to the Initial Term (as defined below), Customer shall pay to Blackboard all fees specified in the Pricing Summary or otherwise required in this Schedule, which fees shall be non-cancelable and non-refundable. With respect to each Renewal Term (as defined below), if any, Customer shall pay to Blackboard the then-current fees for such services and licenses, which amounts shall be due and payable within thirty (30) days of the date of Blackboard’s invoice for such Renewal Term. Should Customer choose to terminate a multi-year Agreement in advance of the Initial Term or Renewal Term, Customer will be required to pay a penalty fee to Blackboard equal to the difference of the total discount received for the Term of the product or products being terminated. Customer further agrees to reimburse Blackboard for (i) reasonable travel and living expenses incurred by Blackboard’s employees and subcontractors in connection with the performance of maintenance and support services under this Schedule and, (ii) any other expenses described in this Schedule, provided that Blackboard will receive Customer’s prior approval for single expenses greater than $250, and further provided that, upon Customer’s request, Blackboard will provide reasonable documentation indicating that Blackboard incurred such expenses. Except as otherwise required by this paragraph, all amounts payable under this Schedule shall be subject to applicable provisions of the Master Terms.

5. TERM
This Schedule shall become effective (i) when executed by authorized representatives of both Parties (the “Schedule Effective Date”), or (ii) the Effective Date of the Agreement, whichever occurs later, and shall continue in effect for a period of one (1) year (the “Initial Term”). Thereafter, the Schedule will renew automatically upon the conclusion of each twelve (12) month period following the Schedule Effective Date for successive one (1)-year periods (each, a “Renewal Term”), unless either Party provides notice of its desire to not renew more than thirty (30) days prior to the end of the Initial Term or then-current Renewal Term as applicable. Upon termination of this Schedule, all licenses granted under this Schedule shall immediately cease, and Customer will: (i) immediately discontinue all use of Software licensed under this Schedule; (ii) pay to Blackboard all amounts due and payable hereunder; (iii) remove the Software from its server and provide to Blackboard proof of the destruction of the original copy; and any other copies of the Software, and (iv) return all Documentation and related training materials to Blackboard within a reasonable time at Customer’s cost.

6. LIMITED SOFTWARE WARRANTY
Blackboard warrants, solely for the benefit of Customer, that any Software licensed under this Schedule which is manufactured by Blackboard will substantially conform to the applicable Documentation for a period of ninety (90) days after the Initial Available Date, provided that: (i) Blackboard has received all amounts owed under this Agreement; (ii) Customer is not in material breach of this Agreement; (iii) Customer has installed any Corrections, Upgrades and Updates made available to Customer; and (iv) Customer has notified Blackboard in writing of any failure of the Software to conform to the foregoing warranty within the warranty period. CUSTOMER ACKNOWLEDGES AND AGREES THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES BY BLACKBOARD, AND THAT BLACKBOARD’S SOLE OBLIGATION, AND CUSTOMER’S SOLE REMEDY, WITH RESPECT TO ANY BREACH OF THE FOREGOING WARRANTY, IS REPAIR OR REPLACEMENT (AT BLACKBOARD’S OPTION) OF THE RELEVANT SOFTWARE IN A TIMELY MANNER.

7. SUPPORT AND MAINTENANCE
Product Support. Customer is eligible to receive Product Support from Blackboard as described in the Blackboard Client Support Services Guide located on Blackboard’s website at http://library.blackboard.com/docs/support/supportsguide.pdf, which Blackboard reserves the right to modify, from time to time, effective five (5) days after such modified document is posted at the relevant link, such posting to constitute effective notice of changes.

Capitalized terms used in this Schedule that are not otherwise defined in this Schedule shall have the meaning set forth in the Master Terms. In consideration of the foregoing promises, and other good and valuable consideration, the receipt of which are hereby acknowledged, the parties hereby agree as follows:

1. ADDITIONAL DEFINITIONS

1.1 "Active User Capacity" means the number of Authorized End Users, at any particular time, permitted to be registered to access one (1) or more educational courses provided through the Licensed Software. As of the Schedule Effective Date (as defined below), the initial Active User Capacity will be established and reflected in Exhibit A.

1.9 "Staging Environment" means that hosted additional test copy of the licensed Blackboard Software used for Customer to test new updates/patches to the Software. The staging environment may not be used for production purposes.

2. BLACKBOARD RESPONSIBILITIES

2.1 Provision of Access to Hosted Software. As soon as commercially practicable after the Schedule Effective Date, Blackboard will make access to the features and functions of the Hosted Software available to Customer's Authorized End Users. Blackboard will specify to Customer procedures, according to which Customer and/or its Authorized End Users may establish and obtain such access.

2.2 Responsibilities for Hosting. Blackboard shall install and operate the Hosted Software on computer servers and systems under its direct or indirect control. Blackboard will also install and store the Customer Content for purposes of access by the Hosted Software; provided that nothing in this Managed Hosting Schedule shall be construed to require Blackboard to provide for, or bear any responsibility with respect to, the design, development, operation or maintenance of any Web site, whether owned or operated by Customer, or with respect to any telecommunications or computer network hardware required by Customer to provide access from the Internet to any such Customer Web site. Nothing in this Managed Hosting Schedule shall be construed to grant to Customer a license to access and/or use Blackboard's systems except for purposes of accessing and using the Hosted Software and except pursuant to the procedures and protocols specified by Blackboard pursuant to Section 2.1. Solely to the extent necessary to perform Blackboard's obligations pursuant to this Managed Hosting Schedule, Customer grants to Blackboard a royalty-free, non-exclusive, worldwide license to use, reproduce, transmit, distribute, perform, display, and, to the extent required by the Hosted Software, modify and create derivative works from the Customer Content. As between Blackboard and Customer, Customer retains ownership of the Customer Content. Blackboard shall maintain the confidentiality of all Customer Content that is stored on its servers in accordance with Section 4 of the Master Terms.

2.3 Availability and Operations. Blackboard will undertake commercially reasonable measures to ensure that, from and after the Available Date and for so long as this Managed Hosting Schedule remains in effect, the Managed Hosting Services provided pursuant to this Managed Hosting Schedule will: (i) be available and accessible as contemplated in this Managed Hosting Schedule twenty-four (24) hours per day, seven (7) days per week within the parameters set forth in Exhibit B, and (ii) conform in all material respects to the technical specifications and performance parameters set forth in Exhibit B. Exhibit B may be modified from time to time, upon notice to Customer. Notwithstanding the foregoing, Blackboard will have no liability under this Section 2.3 to the extent any nonconformity with the standards set forth in Exhibit B arises, in whole or in part, from: (i) any use of the Hosted Software by or any Authorized End User other than in accordance with the terms and conditions set forth in this Agreement; (ii) any failure by Customer or any Authorized End User to comply with any procedures, technical standards and/or protocols specified by Blackboard pursuant to Section 2.1 of this Managed Hosting Schedule; or (iii) any causes beyond the control of Blackboard or which are not reasonably foreseeable to Blackboard, including but not limited to, interruptions or failure of telecommunication or digital transmission links and Internet slow-downs or failures. It is agreed and acknowledged that the service credits referred to in Exhibit B shall be Customer's sole remedy, and Blackboard's sole obligation, with respect to failures of the Managed Hosting Services to meet the technical specifications and performance parameters set forth in Exhibit B. Blackboard does not warrant or guarantee the Managed Hosting Services except as expressly stated in this Managed Hosting Schedule.

2.4 Data Restoring Policy. Blackboard will back-up and archive Customer Content at a secure location for the retention period(s) specified in Exhibit B. In the event that Customer requests recovery of any data or damaged Customer Content, Blackboard will exercise reasonable efforts to restore the relevant data from the most recently archived copies (or such earlier copies as requested by Customer), provided that such data is, at the relevant time, still available pursuant to the applicable retention policy and Customer has provided to Blackboard all information necessary to enable Blackboard to perform such services. Blackboard shall perform up to four (4) data restorations per calendar month, at no charge to Customer, thereafter, except with respect to restoration of data that are lost or damaged as a result of Blackboard's error or a failure of the Managed Hosting Services, Customer agrees to pay Blackboard its then-standard appropriate rates for such restoration services.

2.5 Data Archiving and Cleanup Policy. Blackboard will undertake commercially reasonable efforts to accommodate Customer's request for data archiving and cleanup. These tasks regularly require expert knowledge of Blackboard application and database structure and command-line access to Customer's Blackboard servers under Blackboard's control. Common types of data archiving and cleanup tasks that require database/application engineering expertise and command-line access to services include (but are not limited to) the following: batch copying of courses for a new semester, batch export, import, and archive of courses; batch removal of courses; batch disabling of users; and/or exporting unenrolled courses from a database query. Blackboard will make reasonable efforts to perform up to four (4) data archiving and cleanup related tasks per Customer per year (the tasks can be grouped together as one support ticket to be addressed at once per semester or per quarter). After four (4) free services per year, Blackboard reserves the right to charge a flat fee of $1,000 per ticket created for data archiving and cleanup related tasks. If Customer requests Blackboard to batch archive data
on to a hard-drive and ship to Customer. Blackboard will charge $300 for the cost of each of 320 GB hard-drive required. The hard-drive can be shipped back to Managed Hosting at the time of next task for reuse.

2.6 Additional Storage and Bandwidth Policy. As a normal operating procedure Blackboard does not cap storage and bandwidth. Blackboard will, no less than quarterly, monitor Customer's storage and bandwidth usage. In the event Customer has exceeded contracted Storage and/or contracted Bandwidth in a sustained period of sixty (60) days or more, Blackboard will provide a report to Customer concerning the current storage and bandwidth usage. In the event Customer has not purchased additional storage and/or bandwidth within thirty (30) days of receiving the report, Blackboard reserves the right to charge Customer additional fees at then-standard applicable rates.

2.7 Additional Managed Hosting Services. In the event that Customer desires to receive Managed Hosting Services in addition to the particular services specified in the table above, including, by way of example, incremental storage capacity and additional bandwidth capacity and/or higher Active User Capacity. Customer may submit a written and executed purchase order requesting such additional Managed Hosting Services. Subject to Customer’s payment of all applicable fees required by Section 4, and further subject to all applicable provisions of this Agreement, including, without limitation, the Master Terms and this Managed Hosting Schedule, Blackboard agrees to make such additional Managed Hosting Services available to Customer for so long as this Managed Hosting Schedule remains in effect after acceptance of such purchase order. For the avoidance of doubt, no such purchase order shall be binding upon Blackboard unless and until Blackboard accepts such purchase order in writing and further provided that Blackboard will have no liability to Customer with respect to any purchase orders that are not accepted or for any terms contained in the purchase order other than the type of service and the payment amount.

2.8 IP Addresses. Any IP addresses assigned or allocated to Customer by Blackboard shall remain, at all times, the property of Blackboard and shall be non-assignable and non-transferable. Customer shall have no right to use said IP addresses upon termination of this Agreement. Any change requested by Customer to the Blackboard allocated addresses must be agreed to by the Parties. Customer understands that the IP Services provided under this Agreement (including Internet use) may require registrations and related administrative reports that are public in nature.

3. CUSTOMER RESPONSIBILITIES.

3.1 General User Limitations. Customer acknowledges that use and operation of the Hosted Software by Customer and/or any Authorized End User is subject to the terms of the Software Schedule. Notwithstanding the Software Schedule, for so long as this Managed Hosting Schedule remains in effect, Customer may not install, host or operate the Hosted Software, nor may Customer or its Authorized End Users otherwise use the Hosted Software, except as licensed and made available by Blackboard under this Agreement. In the event that Customer has installed the Hosted Software upon any computer server(s) prior to the Schedule Effective Date (as defined below), Customer agrees promptly to remove the Hosted Software from such computer server(s). Customer agrees that it may not cause or permit any third parties to access the Hosted Software other than Authorized End Users, nor may Authorized End Users in excess of the then-current Active User Capacity access and use the Hosted Software at any time, provided that the Active User Capacity may be modified in accordance with Section 2.8. Customer shall remain, and shall ensure that Authorized End Users remain, from using the Managed Hosting Services in a manner that is libelous, defamatory, obscene, menacing or illegal, or otherwise abusing the Managed Hosting Services or the resources available through the Managed Hosting Services. Customer will take appropriate steps to ensure that it and its Authorized End Users do not share access information (including user identification data and passwords) with third parties except as expressly permitted under this Agreement. Customer warrants that its Authorized End Users will comply with the provisions of this Managed Hosting Schedule in all respects.

3.2 Customer Content. Customer represents and warrants that: (i) Customer owns or has sufficient rights in and to the Customer Content, including, without limitation, personal, educational and financial information contained within the Customer Content, to use, in its own name, and to use all use, of the Customer Content as contemplated in this Managed Hosting Schedule; and in granting the license granted in Section 2.2; and (ii) the Customer Content does not contain any content, materials, advertising or services that infringe on or violate any applicable law, regulation or rights of a third party. Customer also acknowledges that Customer Content may be accessed by Blackboard’s support or Managed Hosting personnel outside of the country of the hosted facility, and hereby authorizes such access. Blackboard only provides access to the Hosted Software. Blackboard does not operate or control the information, services, opinions or other content of the Internet. Blackboard does not monitor and shall have no liability or responsibility whatsoever for the Customer Content of any transmissions or communications transmitted or otherwise disseminated via the Hosted Software. Customer agrees that it shall make no claim whatsoever against Blackboard relating to the Customer Content or content of the Internet or respecting any information, product, service or software ordered through or provided via the Internet, and Customer shall indemnify and hold Blackboard harmless from any and all claims (including claims by governmental entities seeking to impose penal sanctions) related, directly or indirectly, to such Customer Content.

4. FEES

4.1 In consideration for provision of the Managed Hosting Services, Customer shall, during the Initial Term (as defined below), pay to Blackboard: (i) an annual fee in an amount set forth in the Pricing Summary with respect to the particular Managed Hosting Services provided under this Managed Hosting Schedule, which fees shall be due and payable upon Agreement execution, as well as (ii) any other fees otherwise required by this Managed Hosting Schedule (for additional services, additional bandwidth, or additional users). In the event that Customer requests additional Managed Hosting Services as contemplated in Section 2.8, applicable fees shall be due and payable from and after the month during which such additional services are first made available. All fees payable under this Managed Hosting Schedule shall be non-cancelable and non-refundable.

4.2 Blackboard reserves the right to temporarily suspend the Managed Hosting Services if Customer’s account becomes more than sixty (60) days past due. The act of suspending Managed Hosting Services does not, in itself, constitute a termination or suspension of this Agreement nor does such suspension of Service relieve Customer’s obligation to pay past, current, or future charges incurred hereunder. User Customer pays in full the past due fees. Blackboard may remove services.

4.3 With respect to each Renewal Term (as defined below), if any, Customer shall pay to Blackboard the then-current fees for such Managed Hosting Services upon commencement of the Renewal Term. Should Customer choose to terminate a multi-year Agreement in advance of the Initial Term or Renewal Term, Customer will be required to pay a penalty fee to Blackboard equal to the difference of the total discount received for the Term of the product or products being terminated. Except as provided above, each party will be responsible for its own expenses incurred in rendering performance under this Managed Hosting Schedule, including, without limitation, the cost of facilities, work space, computers and computer time, development tools and platforms, utilities management, personnel and supplies. Except as otherwise required by this paragraph, all amounts payable under this Managed Hosting Schedule shall be subject to applicable provisions of the Master Terms.
5. TERM

This Managed Hosting Schedule shall become effective on the Schedule Effective Date, and shall continue in effect for a period of one (1) year (the "Initial Term") or otherwise specified in Exhibit A. Thereafter, the Managed Hosting Schedule will renew automatically upon the conclusion of each twelve (12) month period following the Schedule Effective Date for successive one (1) year periods (each, a "Renewal Term"). At Blackboard's then-current pricing for Customer's then-current usage level, unless either Party provides notice of its desire not to renew more than thirty (30) days prior to the end of the Initial Renewal Term or then-current Renewal Term, as applicable. Upon termination of this Managed Hosting Schedule, all licenses granted under this Managed Hosting Schedule shall immediately cease, and Customer will: (i) immediately discontinue access to and/or use of the Hosted Software under this Managed Hosting Schedule. (ii) pay to Blackboard all amounts due and payable under this Managed Hosting Schedule; and (iii) return all Documentation and related training materials to Blackboard within a reasonable time at Customer’s cost.

IN WITNESS WHEREOF, the parties hereto have executed this Schedule as of the date hereof.

SERVICE LEVEL

Security:
- Single point of entry to co-location is guarded 24 hours a day with access controlled by an access database and video surveillance
- Monitoring of the co-location area and only those persons authorized by Blackboard's access list are allowed past a central point
- Surveillance camera located throughout the facility capture activity to help ensure no unauthorized entry to protected areas

Power:
- State-of-the-art generators clean and condition commercial electrical power to remove irregularities in the signal. Power is run through the generators before being passed into the facility
- In the event of a loss of power from the grid, power backups are utilized in the following order: commercial utility, underground conduits, two-hour battery backup (industry standard only 15 minutes), diesel generator with full-load capability and additional fuel supply

Network:
- Redundant Internet connections through dual Tier I Internet Service Providers

Start Up:
Blackboard is responsible for the setup and configuration of the necessary hardware, software and all components of the Customer server(s). This includes but is not limited to, the server hardware and software, telecommunications hardware and software, security software and other software that is reasonably necessary to operate and maintain the Hosted Software.

Initial Access Date:
The Hosted Software is typically accessible from the hosting site within 7 business days after execution of the Managed Hosting Schedule, provided that the Master Terms and the relevant Software Schedule have been executed, and provided that Customer has provided Blackboard a URL and any other information required by Blackboard. Blackboard shall provide Customer with procedures for access, the procedures may include, without limitation, provision of any access codes, passwords, technical specifications, connectivity standards or protocols, or any other relevant procedures to the limited extent any of the foregoing may be necessary to enable Customer to permit its Authorized End Users to access and use the Hosted Software as contemplated in this Managed Hosting Schedule.

Availability/Service Credit:
The Hosted Software is accessible 24/7, with a 99.7% targeted uptime. 99.7% uptime means that for 99.7% of the time during any calendar month, the Managed Hosting Services shall be available. Unavailability is a condition in which there is unavailability of the Hosted Software due to hardware failure OR sustained latency within the Blackboard hosting facilities where the Hosted Software is inaccessible due to a failure of Blackboard to provide Managed Hosting Services during such period; unavailability does not include packet loss, latency or network availability due to scheduled maintenance, or inability of a user to connect with the Managed Hosting Services due to Internet or telecommunications problems outside the control of Blackboard. In order to receive any service credit, Customer must notify Blackboard within seven (7) days from the time Customer becomes eligible to receive a service credit. Failure to comply with this requirement will forfeit Customer's right to receive a service credit. In order to be eligible, Customer must be in compliance with the Agreement including the contracted Active User Capacity and storage quota. The aggregate maximum number of service credits to be issued by Blackboard to Customer for any and all downtime periods and performance problems during any given calendar month shall not exceed one month of service. Service credits are issued as follows and shall be Customer's sole remedy for failure to meet the foregoing service levels:

<table>
<thead>
<tr>
<th>Length of Unavailability (per calendar month)</th>
<th>Service Credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 to 4 hours of aggregate unavailability below 99.7%</td>
<td>1 day of service fees credited (i.e., 1/30 monthly fees)</td>
</tr>
<tr>
<td>4 to 48 hours of aggregate unavailability below 99.7%</td>
<td>2 days of service fees credited (i.e., 1/15* monthly fees)</td>
</tr>
<tr>
<td>48 to 96 hours of aggregate unavailability below 99.7%</td>
<td>5 days of service fees credited (i.e., 1/6 * monthly fees)</td>
</tr>
</tbody>
</table>

*Each block of 96 hours of aggregate unavailability thereafter shall be credited 3 days of service fees.
*All Service Credit shall be applied to the next period's Managed Hosting fees.

MANAGED HOSTING ENHANCED SLA

Customer is eligible for the enhanced service levels under Blackboard’s enhanced service level program. The current terms of the program are described below and are subject to change by written notice to Customer 30 days in advance of any change.

1. The Availability/Service Credit in this exhibit is automatically adjusted to be calculated against a 99.9% target uptime provided that Customer meets all of the following strict requirements:
   a. Customer has Platinum Level Service (on Blackboard Platinum Package) or Diamond Level Service (which requires having annual subscription to Production Environment, Staging Environment and non-production Test Environment and minimum of 25% Time Complex Hosting Manager services);
   b. The production environment of the Hosted Software is on Blackboard Learn Course Delivery 9.1 or later version and is at maximum only two application pack versions older than the then-current Generally Available version;
   c. Customer’s usage is within contracted levels for Active User Capacity and storage;
   d. Any Building Blocks deployed on the production environment of the Hosted Software are compliant with the standard Managed Hosting Building Blocks Policy;
   e. Any integration between the Hosted Software and Customer’s student information system (SIS) was completed by Blackboard Consulting and Customer is currently subscribed to Integration and Customization Maintenance (ICM) supporting such SIS integration.

2. Alternatively, the Availability/Service Credit in this exhibit is automatically adjusted to be calculated against a 99.8% target uptime provided that Customer meets all of the following strict requirements:
   a. Customer has Gold Level Service (subscription to Production Environment hosting other than Basic licenses, Foundations program, SchoolCentral or Prestige hosting services) or Platinum Level Service (on Blackboard Platinum Package) or Diamond Level Service (which requires having subscription to annual Production Environment, Staging Environment and non-production Test Environment and minimum of 25% Time Complex Hosting Manager services);
   b. Hosted Software on production environment is on Blackboard Learn Course Delivery 9.1 or later version and is at maximum only two application pack versions older than the then-current Generally Available version;
   c. Customer’s usage is within contracted levels for Active User Capacity and storage.

3. If the enhanced service levels in Sections 1 or 2 above do not apply, then provided that Customer’s usage is within contracted levels for Active User Capacity and storage: 99.7% targeted uptime for any version of the Hosted Software which is then currently supported under Blackboard’s support guidelines.

4. The enhanced service levels described in Sections 1 and 2 of this Managed Hosting Enhanced SLA clause apply only to production environments and do not apply to staging environments.

5. For Customers that do not have Platinum Level Service (Platinum Package) or Diamond Level Service (which requires having annual subscription to Production Environment, Staging Environment and non-production Test Environment and minimum of 25% Time Complex Hosting Manager services), the Availability/Service Credit does not apply to the 7 calendar day period following their installation of an application pack, update or upgrade on the production environment because of the lack of Blackboard’s full control over the upgrade project management.

Host Latency Service Credit

The Hosted service provides a monthly average of two (2) seconds or better Host Latency. "Host Latency" is defined as the time period beginning when the first packet of data transmitted from Customer reaches the external firewall of the Blackboard datacenter environment and ending when the first packet of data responding to such transmission leaves the external firewall of the Blackboard datacenter environment. Latency measurements will not be measured during scheduled Maintenance windows. Host Latency excludes any latency incurred on the customer site or when traversing the internet between the customer site and the Blackboard datacenter environment. Upon Customer’s request, Blackboard will provide a report generated by a commercial tool showing Host Latency for the preceding month. Failure to meet the Host Latency service level occurs when, during any calendar month, the average Host Latency for such calendar month is greater than two seconds. Service credits for failure to meet the Host Latency service level are as follows:

<table>
<thead>
<tr>
<th>Time of Latency (per calendar month)</th>
<th>Service Credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>3-4 Seconds Monthly Average Host Latency</td>
<td>2 days of service fees credited (i.e. $1/15* monthly fees)</td>
</tr>
<tr>
<td>4-5 Seconds Monthly Average Host Latency</td>
<td>4 days of service fees credited (i.e. $2/15* monthly fees)</td>
</tr>
<tr>
<td>More than 5 Seconds Monthly Average Host Latency</td>
<td>8 days of service fees credited (i.e. $4/15* monthly fees)</td>
</tr>
</tbody>
</table>

In order to receive any service credit, Customer must notify Blackboard within seven (7) days from the time Customer becomes eligible to receive a service credit. Failure to comply with this requirement will forfeit Customer’s right to receive a service credit. In order to be eligible, Customer must be in compliance with the Agreement including the contracted Active User Capacity and storage quota at the time the service credit request is made.
Backup and Disaster Recovery:

Blackboard provides comprehensive redundant backups which are stored online and at a separate facility. Blackboard returns backup data for one month. In the event of a disaster, Blackboard will use reasonable efforts to restore service. Blackboard will not attempt to restore service if such attempts shall put Blackboard, its employees or its agents at risk for injury.

Outages:

If a system outage occurs, Blackboard will notify Customer’s designated technical contact via email. This notice will include the reason for the system outage and estimated time for restoration of Managed Hosting Services if Blackboard knows this information when it gives this notice.

Following recovery from any particular system outage, Blackboard will provide Customer with a post-incident summary that will include:

- cause of the system outage (if determined);
- method used to correct the problem; and
- measures Blackboard will take to prevent similar system outages in the future (if any).

Upon receipt of notification of a problem with the Blackboard system or the Managed Hosting Services, Blackboard will investigate the problem and determine if a system outage exists. Blackboard will provide Customer with a time estimate for resolution of the problem. If a system outage exists, Blackboard will provide Customer with a time estimate for resolution of the problem, if known at that time. Blackboard will promptly commence remedial activities and use commercially reasonable efforts to resolve the system outage within the time estimate provided to Customer.

MONITORING AND PERFORMANCE:

Blackboard will make network performance reports available to the customer via [www.blackboard.com] or as requested. These reports are designed to provide usage and performance information to help in the continual monitoring and improvement of the design and operation of the hosted environment. Upon request by Customer, Blackboard will provide Customer with monthly reports including information on Managed Hosting Services usage, system outages and changes made to the Blackboard system during that month. Upon request Blackboard will provide the Customer with the following report:

Specific System Outage Details:
- Time of outage
- Length of outage
- Affected areas
- Reason for outage
- Customer contact notified (if any)
- Remedy to prevent outage recurrence (if any)

Customer acknowledges and agrees that any of the foregoing reports shall constitute Blackboard’s Confidential Information for purposes of this Agreement.

Outage:

The hardware, software and network are monitored and maintained by Blackboard and will be accessible twenty-four (24) hours a day, seven (7) days a week, in accordance with industry standards, except for scheduled maintenance and required repairs, in advance of which the Customer shall be notified by email:

- Blackboard maintains responsibility for all day-to-day server maintenance. Server maintenance may include, but is not limited to, hardware upgrades, OS upgrades, patch installations, database administration, server use administration and performance tuning.
- Blackboard maintains a software monitoring system to provide real-time information about the Managed Hosting environment to the Blackboard Network Operations Center (NOC) to assist Blackboard system administrators in proactively monitoring the Managed Hosting environment.
- Blackboard maintains the functionality of all hardware components for which it is responsible under this Exhibit and will replace any failed components. Hardware replacement will begin immediately upon identification of the hardware failure and if cannot be completed within a reasonable amount of time, the access to the Hosted Software will be re-directed to a temporary server to reduce downtime.
- Blackboard implements a backup strategy of performing daily backups with a retention period of 1 month. Where possible, data is replicated to an offsite location.
- Blackboard collects bandwidth usage and web hit statistics on all Customer-hosted machines. This information will be provided upon request.

DATA CENTER SPECIFICATIONS:

Blackboard houses servers in a facility that offers environment control, security, and backup power, as more specifically described below:

Environment:

The data center is designed to maintain a constant temperature of 68°F ± 2°F, plus or minus 2°F, with humidity of 45%.

Server Setup:

The servers are set up to maintain fail back, redundant connectivity, comprehensive backups, 24x7 monitoring, and 99.7% uptime.

CUSTOMER RESPONSIBILITIES:

Blackboard is not responsible for management and actual use of the features and functions of the Hosted Software. Customer bears all responsibility for such management and actual use, including, without limitation:

- The Customer has full access to the Administrator Menu and is responsible for the following:
- Creating/Removing Users including Students, Teachers, System Administrators, etc.
- Modifying all User Information
- Creating/Removing all Course Web Sites
- Building and Managing all Course Web Sites
- Customization to the Site
- System Usage Tracking Reports
- Deciding which product features will be available or unavailable, how much functionality instructors will be allowed, etc.
* Choosing Icon Themes

* All changes to the Blackboard-named URL. All Blackboard Customers are assigned a URL that reads http://institutionname.blackboard.com. The institution is allowed to pick the "institutionname". However, any re-directs to other URLs are the responsibility of the Customer and not Blackboard. For example, if the Customer chooses the URL http://institutionname.org, the institution is responsible for the redirect to the http://institutionname.blackboard.com site using a CNAME record. Any IP addresses are allocated by Blackboard to Customer are in accordance with the American Registry for Internet Numbers (ARIN) guidelines for Internet Numbers and applicable agencies.

BUILDING BLOCKS POLICY. If Customer has implemented the Blackboard Software prior to purchasing Managed Hosting Services or plans to implement a Building Block, Blackboard recommends the following steps before installing a Building Block in a production system: 1) apply and thoroughly test all Building Blocks in Customer’s test/development environment prior to implementing the Building Block in the production environment; and 2) before requesting an upgrade to Blackboard on Customer’s production environment, Customer contacts the vendor of the Building Block or checks the Building Blocks Catalog to ensure that Customer has the latest version prior to upgrading Customer’s Hosted Software. If an issue arises with Customer’s Hosted Software, Managed Hosting Service Support will work with Customer to troubleshoot the problem. If Managed Hosting Service Support isolates the problem as related to one or several Building Blocks, Managed Hosting may need to disable the Building Block to further troubleshoot the issue or to restore overall service.
1. PROFESSIONAL SERVICES.
   1.1 Professional Services. Blackboard shall use commercially reasonable efforts to perform the Professional Services as set forth in an SOW. Blackboard shall perform the Professional Services in a professional manner in accordance with industry standards.
   1.2 Issuance of SOW and Modifications. Customer may, at any time during the term of this PSA, request that Blackboard (a) provide it with new Professional Services or (b) modify the provision of Professional Services contained in any pre-existing SOW(s) (subject to (a) or (b) the "Proposed Professional Services") by delivering to Blackboard a written request describing the Proposed Professional Services. Blackboard may prepare an additional SOW or modify an SOW as an addendum to this PSA upon receipt of a request for Proposed Professional Services, describing the services requested, its proposed fees, costs and expenses payable by the Customer to Blackboard in connection with the performance of such services and any other terms and conditions as Blackboard reasonably deems necessary. Customer, within five (5) business days after receipt of the proposed SOW, shall notify Blackboard of its acceptance of such addendum in which case the parties shall enter into a binding SOW. Until Blackboard's acceptance, Blackboard shall have no obligation to perform the Proposed Professional Services. Additional SOW(s), regardless of whether they relate to the same subject matter as the initial SOW(s), shall become effective upon execution by authorized representatives of both parties.
   1.3 Execution of SOWs. Each SOW (including any modifications to pre-existing SOWs) must be signed by a duly authorized representative of each party (parties), and must be approved by a duly authorized representative of each party in an electronic mail which clearly identifies the party in respect of which approval is given before it becomes part of this PSA and thereby becomes binding on the parties.

2. PERSONNEL.
   2.1 Suitability. Blackboard shall assign employees and subcontractors with qualifications suitable for the work described in an SOW. Blackboard may replace or change employees and subcontractors in its sole discretion with other similarly qualified employees or subcontractors.
   2.2 Security. While on Customer's premises, Blackboard's employees and subcontractors will comply with all reasonable security practices and procedures generally prescribed by Customer to the extent that such practices and procedures have been notified to Blackboard in writing. Blackboard's employees and subcontractors will not be required to sign any waivers, releases, or other documents relating to ownership of intellectual property of charges, modifications, amendments, or revisions to any previously agreed to contract provision in order to gain access to Customer's premises in connection with the Professional Services and any such waivers, releases, or other documents shall be invalid and shall have no effect.

2.3 Non-Recruitment. Throughout the term of this PSA, and for a period of 12 months thereafter, Customer agrees not to solicit or retain the services of any person who is an employee of Blackboard and who was engaged in rendering Professional Services. The parties agree that the restrictions set forth in this Section 2.3 shall not apply to solicitations directed at the public in general or to the retention of the services of an individual as a consequence of that individual responding to such a public solicitation.

3. FEES AND PAYMENT.
   3.1 Payment. Unless otherwise stated in a Statement of Work, Blackboard will bill clients monthly for Professional Services, as delivered. Unless otherwise stated in a SOW, payment for performance of Professional Services is due when and as performed. If payment is not made within thirty (30) days of the date of invoice, interest will accrue at the rate of one and one-half percent (1.5%) per month (prorated for partial periods) on the maximum rate permitted by applicable law, if less. Customer shall reimburse Blackboard for all reasonable costs incurred (excluding reasonable attorneys' fees) in collecting past due amounts owed by Customer.
   3.2 Expenses. Customer will reimburse Blackboard for (i) reasonable travel and living expenses incurred by Blackboard's employees and subcontractors for travel from Blackboard's offices in connection with the performance of the Professional Services, (ii) international telephone charges (if applicable), and (iii) any other expenses contemplated in the applicable SOW. Except as provided above, each party will be responsible for its own expenses incurred in rendering performance under this PSA and any applicable SOW, including, without limitation, the cost of facilities, work space, supplies, and transportation. Blackboard does not maintain or provide original receipts for any expense line items under $500.
   3.3 Taxes. The fees hereunder do not include any sales, use, excise, import or export, value-added or similar tax or interest, or any costs associated with the collection or withholding thereof, or any government permit fees, license fees or customs or similar fees levied on the performance of Professional Services by Blackboard. All payments due under this PSA shall be made without any deduction or withholding, unless such deduction or withholding is required by any applicable law of any relevant governmental authority then in effect. If Customer is required to deduct or withhold, Customer will promptly notify Blackboard of the requirements, pay the required amount to the relevant governmental authority, provide Blackboard with an official receipt or certified copy or other documentation acceptable to Blackboard evidencing payment, and pay to Blackboard, in addition to the payment to which Blackboard is otherwise entitled under this PSA, such additional amount as is necessary to ensure that the net amount actually received by Blackboard equals the full amount Blackboard would have received had no such deduction or withholding been required.

4. PROPRIETARY RIGHTS.
   4.1 Ownership of Customer Property. As between Customer and Blackboard, Customer Property, including data, information, drawings, designs, software, or other materials, shall be owned by Customer and Customer shall retain all rights, title and interest in and to Customer Property. Without prejudice to the generality of the foregoing, in the event that ownership of any Blackboard Property vests in Customer for any reason, Customer
agrees to execute all such instruments and do all such things as Blackboard may require of it to transfer or assign such ownership to Blackboard.

4.4 Non-exclusivity. Customer acknowledges that it has no rights of exclusivity as to any of the services to be provided by Blackboard under this PSA, and that Blackboard shall have the right to provide such services to any other Blackboard Customer which are the same or similar to the services provided to Customer, and to use or otherwise exploit any Blackboard Property, Software, in providing such services.

4.5 Blackboard Use of Customer Property. During the term of this PSA, Customer shall grant and hereby grants to Blackboard, solely to perform its obligations hereunder, a non-exclusive, non-transferable, worldwide (a) to modify, arrange, combine, copy, store, transmit, distribute, and otherwise use the Customer Property and each element thereof generally and in combination with other elements of the Customer Property and the Blackboard Property, and (b) to make archive or backup copies and other copies of the Customer Property. Customer hereby grants to Blackboard an unrestricted, irrevocable (subject to a material breach), non-exclusive, perpetual, worldwide license to use the Customer Property during the Term of this PSA, for the sole purpose of performing its obligations hereunder. Nothing in this PSA shall be construed to grant Blackboard any ownership right in, or license to, the Customer Property, except as provided in this Section 4.5 of this PSA.

Customer warrants that Customer has all requisite authority under applicable laws to provide Blackboard with access and license to the Customer Property as provided in this Section 4.5.

4.6 Customer Use of Blackboard Property. Blackboard hereby grants to Customer a non-exclusive, non-transferable, royalty-free license to use the Blackboard Property solely for the purpose of operating any Blackboard Software separately licensed for the term of the applicable software license agreement.

5. CONFIDENTIALITY.

5.1 Nondisclosure and Nonuse. Each Party will keep the other Party's Confidential Information confidential. Specifically, each Party receiving Confidential Information agrees not to disclose such Confidential Information except to those directors, officers, employees and agents of such Party (i) whose duties justify their need to know such information and (ii) who have been clearly informed of their obligation to maintain the confidential, proprietary and trade secret status of such Confidential Information. Each Party acknowledges that it has all requisite authority under applicable laws to provide the other Party with access to Confidential Information. Each Party receiving Confidential Information further agrees that it will not use such Confidential Information except for the purposes set forth in this Agreement. Each Party receiving Confidential Information shall treat such information as strictly confidential, and shall use the same care to prevent disclosure of such information as such Party uses to protect its own Confidential and Proprietary Information, and in any case it shall not use less than the care a reasonable person would use under similar circumstances. The receiving party agrees that all Confidential Information furnished to the receiving party by the disclosing party shall remain the exclusive property of the disclosing party.

5.2 Notice. The receiving Party will promptly notify the disclosing Party in the event the receiving Party learns of any unauthorized possession, use or disclosure of the Confidential Information and will provide such cooperation as the disclosing Party may reasonably request, at the disclosing Party's expense, in any litigation against any third parties to protect the disclosing Party's rights with respect to the Confidential Information.

5.3 Terms of Agreement. Except as otherwise provided by law, neither Party shall disclose the terms of the Agreement to any third party, provided, however, that either Party may disclose the terms of this Agreement to its professional advisers, or to any potential investor or acquirer of a substantial part of such Party's business (whether by merger, sale of assets, sale of stock or otherwise), provided that such third party is bound by a written agreement or legal duty on terms at least as onerous as those set out in this Section 5 to keep such terms confidential.

5.4 Exceptions to Confidential Treatment. Notwithstanding the foregoing, the preceding provisions of this Section 5 will not apply to Confidential Information that (i) is publicly available or in the public domain at the time disclosed, (ii) is or becomes publicly available or enters the public domain through no fault of the recipient, (iii) is rightfully communicated to the recipient by persons not bound by confidentiality obligations with respect thereto (iv) is already in the recipient's possession free of any confidentiality obligations with respect thereto at the time of disclosure; (v) is independently developed by the recipient; or (vi) is approved for release or disclosure by the disclosing Party without restriction. Each Party may disclose Confidential Information to the limited extent necessary (a) to comply with the order of a court or competent jurisdiction or other governmental body having authority over such Party, provided that the Party making the disclosure pursuant to the order will first have given notice to the other Party and made a reasonable effort to obtain a protective order; (b) to comply with applicable law or regulation requiring such disclosure, or (c) to make such court filings as may be required to establish a Party's rights under this Agreement.

6. TERMINATION.

6.1 Term. This PSA shall commence on the date of execution and shall continue unless otherwise terminated prior to expiration in accordance with Section 6.2 below.

6.2 Termination. 6.2.1 SOVs. Unless otherwise stated in the applicable SOW, the term of each SOW shall last until performance hereunder is completed, except that either party may, at its sole option and for its own convenience, terminate any or all SOWs in effect upon fifteen (15) days prior written notice. Upon such termination, the parties shall inform each other of the extent to which performance has been completed through such date, and collect and deliver all work in progress. In the event of termination, the parties agree to wind up their work in a commercially reasonable manner and to preserve and deliver items of value created prior to termination. Blackboard shall be paid forthwith for all work performed and expenses incurred through the date of termination.

6.2.2 Default. Either party may terminate this PSA or any SOW upon a material or continuing breach of this PSA or such SOW by the other party by giving the breaching party thirty (30) days prior written notice of termination, stating the cause thereof, with termination becoming effective at the close of said 30-day term if the breach is not then cured to the satisfaction of the party giving notice. Without limiting the foregoing, either party may terminate this PSA immediately upon written notice to the other party in the event the other party materially breaches the provisions of Section 5.

6.2.3 Termination for Insolvency. In the event that there are no SOWs in effect, either Party may terminate this PSA upon 30 days prior written notice to the other party.

6.2.4 Effect of Termination. In the event of termination or expiration of this PSA, Blackboard shall return all Confidential Information and materials of Customer and Customer and Blackboard shall return any Confidential Information and materials of Blackboard.

6.3 Termination for Breach. Without prejudice to any other available remedies, either party may terminate this PSA immediately upon written notice if (i) the other party becomes insolvent or makes an arrangement with its creditors generally or has a liquidator or a receiver appointed over a substantial part of its business or assets or commences to be wound up (other than for the purposes of a solvent amalgamation or reconstruction) or (ii) any other circumstances arise in any jurisdiction which entitle a Court or a creditor to appoint a liquidator, receiver, administrative receiver or administrator or equivalent officer or make a winding up order in relation to such party.

6.4 Survival. The termination or expiration of this PSA shall not relieve either party of any obligation or liability accrued hereunder prior to or subsequent to such termination, nor affect or impair the rights of either party arising under this PSA prior to or subsequent to such termination or expiration, except as expressly provided herein.

7. LIMITED WARRANTY; LIMITATION OF LIABILITY.

7.1 Blackboard Warranty. Blackboard represents and warrants that it has the power and authority to enter into and perform its obligations under this PSA.

7.2 Customer Warranties. Customer represents and warrants that it has the power and authority to enter into and perform its obligations under this PSA.
8. MISCELLANEOUS MATTERS

8.1 Severability. Should any term or provision of this PSA be finally determined by a court of competent jurisdiction to be unlawful, unconscionable or contrary to law or equity, the offending term or provision shall be construed (i) to have been modified and limited (or if strictly necessary, deleted) only to the extent required to conform to the requirements of law and (ii) to give effect, in the intent of the parties (including, without limitation, with respect to the economic effect of the PSA), and the remainder of this PSA (or, as the case may be, the application of such provisions to other circumstances) shall not be affected thereby but rather shall be enforced to the greatest extent permitted by law.

8.2 Conflict Resolution. Except with respect to controversies or claims regarding either party's confidential information or proprietary rights under this PSA, in the event any controversy or claim arises in connection with any provision of this PSA, the parties shall try to settle their differences amicably between themselves by referring the disputed matter to their respective designees for discussion and resolution. Either party may initiate such informal dispute resolution by sending written notice of the dispute to the other party. If and only if such representatives are unable to resolve such dispute within thirty (30) days of initiating such negotiations, either party may seek the services available to such party under law. Notwithstanding the foregoing, nothing in this Section 8.2 will be construed to limit either party's rights under Sections 6 and 8.7.

8.3 Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of New York without reference to its conflicts of law provisions and each Party irrevocably submits to the non-exclusive jurisdiction of the courts in or for the District of Columbia. The U.N. Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

8.4 Modifications and Waiver. Subject to the provisions of Section 3 above, no modification, amendment, supplement, or other change in this PSA will be effective unless set forth in writing and signed by duly authorized representatives of Blackboard and Customer. No waivers under this PSA will be effective unless expressly set forth in writing and signed by a duly authorized representative of the party against whom enforcement is sought. The failure of either party to insist upon strict performance of any provision of this PSA, or to exercise any right provided for herein, shall not be deemed to be a waiver of such provision or right with respect to subsequent claims (unless expressly so stated in a valid amendment or waiver), and no waiver of any provision or right shall affect the right of the waiving party to enforce any other provision or right hereunder.

8.5 Assignment by Customer. No right or obligation of Customer under this PSA may be assigned, delegated or otherwise transferred, whether by agreement, operation of law or otherwise, without the express prior written consent of Blackboard, and any attempt to assign, delegate or otherwise transfer any of Customer's rights or obligations hereunder, without such consent, shall be void.

8.6 Indemnification. Subject to the provisions of Section 8.5 above, this PSA shall bind each party and its permitted successors and assigns.

8.7 Remedies. The Parties agree that any breach of this PSA may cause irreparable injury for which no adequate remedy at law exists; therefore, the Parties agree that equitable remedies, including without limitation, injunctive relief and specific performance, are appropriate remedies to redress any breach or threatened breach of this PSA, in addition to other remedies available to the Parties. All rights and remedies hereunder shall be cumulative; may be exercised singularly or concurrently and shall not be deemed exclusive except as provided in Sections 6 and 7. If any legal action is brought to enforce any obligations hereunder, the prevailing party shall be entitled to receive its legal fees, court costs and other collection expenses, in addition to any other relief it may receive.

8.8 Notices. Any notice or communication permitted or required hereunder shall be in writing and shall be delivered in person or by certified mail, postage prepaid, return receipt requested.

8.9 Force Majeure. Except with regard to payment obligations, neither party will be responsible for any failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts
of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts or inability to obtain any export or import license or other approval or authorization of any government authority.

8.10 Relationship. Blackboard and Customer are independent contracting parties. This PSA shall not constitute the Parties as principal and agent, partners, joint venturers, or employer and employee.

8.11 Entire Agreement. This PSA including SOW(s), constitutes the entire, full and complete agreement between the Parties concerning the subject matter of this PSA and supersedes all prior or contemporaneous oral or written communications, proposals, conditions, representations and warranties, and this PSA prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the Parties relating to its subject matter. Customer may not and should not rely on any advice or marketing materials provided to it by Blackboard. Blackboard’s only obligations to Customer related to the subject matter of this PSA are set forth in this PSA. Notwithstanding the foregoing, nothing in this PSA shall exclude or restrict the liability of either party arising out of fraud or fraudulent misrepresentation.

8.12 Order of Precedence. In the event a conflict arises between these terms in this PSA and the provisions of any Statement of Work, the PSA will govern unless the relevant Statement of Work expressly provides otherwise. No term or provision set forth or cross-referenced in any work order, purchase order or payment documentation will be construed to amend, add to, or supersede any provision of this Agreement. This means that the terms and conditions of any work or purchase order or payment documentation will not be binding upon either Party. - This Statement of Services covers only the activities as described;
- ICM covers Blackboard-implemented solutions per the original scope of the project unless an approved Change Request has been processed;
- All software developed and provided to the Customer by Blackboard Consulting is maintained solely by Blackboard;

- The Customer shall assign a representative to be the primary point of contact for the Blackboard Project Manager. This representative shall have full authority to make all decisions regarding project scope, overall timeline, and related project costs, as well as ensuring the necessary customer project personnel, resources, etc. are available to successfully complete the project(s);

IN WITNESS WHEREOF, the parties hereto have executed this Statement of Work as of the date first written below.
