OCC understands and acknowledges that the Pearson Content Products may be retired or supplanted by new editions at any time, and that Pearson is under no obligation to make new editions or replacement products available to OCC. Notwithstanding OCC's rights to use the Pearson Content Products, Pearson may require OCC to promptly cease (within three business days) using any Pearson Content Products, if (i) Pearson notifies OCC that Pearson no longer has the necessary rights to the Pearson Content Products, (ii) Pearson believes cessation is necessary to limit or avoid liability or (iii) Pearson is otherwise required by law or court order to cease and desist. In such events, Pearson will use commercially reasonable efforts to replace, at no cost to OCC, any affected Pearson Content Products with other materials to be used by OCC pursuant to the terms of this Agreement.

3. **OCC Ownership.** OCC and its authorized users may provide Pearson, either directly or indirectly (through placement of such information, materials, product and data on the LearningStudio by OCC's authorized users) with Information, materials and data (the "OCC Information"). As between Pearson and OCC, all such OCC Information is the exclusive and proprietary property of OCC. 4. **OCC Grant of License.** OCC grants to Pearson a limited, nonexclusive license during the term of this Agreement to copy, transmit, use and prepare derivative works of the OCC Information to the extent necessary for Pearson to perform its obligations under this Agreement. This license shall not be construed to permit Pearson to use OCC Information for any other purpose, except as expressly permitted by the Agreement. Except as otherwise restricted by law, Pearson may use anonymous data related to student performance and the activity of OCC's authorized users within the LearningStudio, for product improvement and general research and analytical purposes (which Pearson may share with other third parties).

5. **Additional Products or Services.** Except as specifically otherwise provided for in this Agreement, no other Pearson products and services are included in this
VI. FEES AND PAYMENT

In consideration of Pearson providing the Pearson Services to OCC, OCC shall pay Pearson for services rendered as set forth below.

1. **Set-up, Training and Implementation Fee.** OCC hereby agrees to pay to Pearson a one-time set-up and implementation fee of $100,000, with the first $50,000 due and payable upon the Effective Date and the remaining $50,000 due and payable within ninety (90) days of the Effective Date.

2. **Student Credit Hour Fees.** As compensation for the Pearson Services performed under this Agreement, OCC will, for courses in the Online Programs, pay Pearson a per credit hour fee for each student enrolled in such courses (the “SCH Fee”), in accordance with the following:

<table>

<tr>
<th>Contract Year</th>

<tbody>

<tr>

</tr>
<tr>
<td>4</td>
<td>$56.17</td>
</tr>
<tr>

<td>$70.43</td>
</tr>
</tbody>
</table>

3. **Census Date.** An official census of enrolled students will be taken by Pearson for each course (the “Census Data”), on a specified date (to be set in accordance with OCC’s applicable add/drop schedule for such courses) after the start of the applicable academic term (the “Census Date”). A student will be counted for purposes of this Agreement if (a) at the Census Date the student has been issued a password by Pearson to access the course pursuant to enrollment procedures agreed to between Pearson and OCC, and (b) Pearson has not received notification prior to the Census Date that the student has withdrawn. Prior to invoicing, Pearson shall deliver the Census Data to OCC for review and reconciliation. Any discrepancies shall be reported to Pearson within 48 hours or such data will be deemed agreed to by the parties.

4. **Student Fees for Online Programs Courses.** Following the official Census Date for each academic term, OCC will pay to Pearson a fee for each enrolled student credit hour for the Online Programs for that term, upon invoicing by Pearson. Such fees shall be calculated for each Online Program course at the time of the official Census Date for each such course, in accordance with the following formula:

\[(SCH \text{ Fee}) \times (\text{students enrolled in the course}) \times (\text{credit hours per student for the course})\]
For example, if 30 students are enrolled in two 3 credit hour Online Programs courses during the first Contract Year, OCC would pay Pearson a fee of \(30\times2\times(3\times19.50) = \$3,510\) for such enrollments.

It is expressly agreed that OCC's obligation to pay Pearson the amount set forth above shall remain in effect notwithstanding (i) the failure of a student to complete the applicable course, or (ii) OCC's failure or inability to collect the tuition or any related fees from that student. All payments shall be made in U.S. dollars.

5. **Due Date and Payment.** OCC shall pay all invoices issued by Pearson within thirty (30) days of the date of the invoice. OCC shall not make deductions of any kind from any payments due Pearson. Pearson may accept any payment without prejudice to Pearson's right to recover any remaining balance or to pursue any other remedy provided in this Agreement, or by applicable law. In the event that any invoice is not paid in full within thirty (30) days of the invoice date, OCC shall pay simple interest at the rate of 1% per month beginning thirty (30) days after the date of the invoice. If OCC fails to pay an invoice within sixty (60) days after the date of the invoice, Pearson may, after providing seven (7) days written notice to OCC, suspend the provision of products and services, including turning off OCC's access to the LearningStudio and the Pearson Services. Pearson reserves the right at any time to condition provision of the Pearson Services on reasonable assurance of payment.

6. **Travel Expenses.** All fees incurred by OCC are exclusive of Pearson's travel-related expenses. OCC agrees to reimburse Pearson for all pre-approved travel and out-of-pocket expenses incurred by Pearson with respect to any on-site professional services engagements (other than the five face-to-face training sessions referenced in Section IV(h) of this Agreement).

7. **Taxes.** The fees hereunder do not include any applicable sales, use, excise, VAT or other taxes or duties levied or based on this Agreement or the Pearson Services provided hereunder, which OCC agrees to pay (or reimburse Pearson for upon invoicing, as the case may be) separately, exclusive of income taxes or taxes based on Pearson's income. If OCC is a tax-exempt entity and provides Pearson with a valid certificate evidencing such tax-exempt status, then Pearson shall not assess OCC for taxes not payable by tax-exempt entities.

**VII. TERMINATION**

1. **Termination by Mutual Agreement.** This Agreement may be terminated at any time by the mutual, written agreement of OCC and Pearson. On an annual basis, Pearson and OCC will jointly assess the success of the relationship established by this Agreement, and to the extent the parties feel it is necessary or desirable, may mutually agree to terminate the Agreement.

2. **Transition Plan.** Upon any termination or expiration of the Agreement, the Agreement shall automatically enter into a transition period of six months. During this transition period, all of the terms and conditions of the Agreement (including the
respective obligations, rights and responsibilities of Pearson and OCC, except as may be modified by the transition plan) shall remain in full effect, in order to facilitate a smooth transition for the end of the relationship. Pearson will be responsible for compiling and providing OCC with a transition plan within the first sixty (60) days of the transition period, outlining the tasks, deliverables and timelines for transitioning Pearson's responsibilities to OCC management and staff. OCC will continue to pay the fees set forth in Section VI(4) during this transition period.

3. **Termination for Breach.** Except as otherwise set forth herein, this Agreement may be terminated by either party if the other is in material breach of any provision of this Agreement, but only after written notice of default and opportunity to cure has been given to the breaching party. The notice of default must provide for an opportunity to cure of at least thirty (30) days following receipt of notice. If the party receiving the notice has not cured the breach before the cure date stated in the notice then the party giving notice may terminate this Agreement by giving the breaching party written notice of termination.

4. **Effect of Termination or Expiration.** Upon termination or expiration of this Agreement, all licenses granted hereunder shall immediately terminate, and any and all fees set forth herein shall become immediately due and payable. Notwithstanding the termination of this Agreement for any reason, the rights and duties of the parties under Sections V(1)(c-d), V(1)(f), V(1)(g), V(2)(b), V(3), VI(5-7), VI(9), VII(2), VII(4), VIII and IX and all other provisions that by their nature should survive, shall survive such termination and remain in full force and effect.

5. **Non-appropriation of Funding.** Pursuant to N.J.S.A. 18:64A-25.28, this Agreement may be terminated by OCC at any time after the first Contract Year in the event of the unavailability or lack of appropriation of sufficient funds necessary for OCC to continue to offer the Online Programs to students.

**VIII. REPRESENTATIONS & WARRANTIES.**

1. **Mutual Representations and Warranties.** OCC and Pearson each represents and warrants to the other as follows: (a) the execution, delivery and performance by it of this Agreement have been duly authorized by all necessary corporate action and do not and will not require any consent or approval of its stockholders or owners or violate any provision of any agreement presently in effect having applicability to it or any provision of its charter documents; (b) this Agreement is a legal, valid and binding obligation of it enforceable against it in accordance with its terms and conditions; and (c) it is not under any obligation to any person, or entity, contractual or otherwise, that is conflicting or inconsistent in any respect with the terms of this Agreement or that would impede the diligent and complete fulfillment of its obligations hereunder and that it has all power and authority under all instruments or agreements to which it is a party to enter into this Agreement and to perform its obligation hereunder.

2. **Pearson Representations and Warranties.** Pearson represents and warrants that: (a) the Pearson Services will be performed in a professional manner and Pearson will
use its best efforts to conform to the performance criteria, standards and other descriptions set forth in this Agreement, in compliance with applicable federal, state and local laws, regulations, rules, and ordinances; and (b) all services will be performed by qualified, trained, and properly equipped personnel. PEARSON MAKES NO REPRESENTATION OR WARRANTY THAT THE PEARSON SERVICES OR OCC'S USE THEREOF WILL BE UNINTERRUPTED OR ERROR-FREE. EXCEPT TO THE EXTENT OTHERWISE EXPRESSLY PROVIDED FOR IN THIS AGREEMENT, PEARSON DISCLAIMS ANY REPRESENTATION OR WARRANTY CONCERNING ANY PRESENT OR FUTURE USE, INTEGRATION OR COMPATIBILITY WITH ANY OTHER PRODUCTS OR SERVICES.

3. OCC Representations and Warranties. OCC represents and warrants to Pearson that it owns the OCC Information or has obtained all rights in the OCC Information to provide the OCC Information to Pearson and convey the licenses granted herein to Pearson so that the use by Pearson to provide the Pearson Services and other services does not violate the intellectual property rights or other rights of a third party. OCC is responsible for meeting the then-current hardware, operating system, browser and other technical requirements necessary to properly use and access the LearningStudio. OCC will comply with all applicable federal, state and local laws, regulations, rules, and ordinances.

4. Prohibited Contacts. Pearson and OCC (which, for purposes of this section, includes any marketing firm engaged by or on behalf of OCC) shall each comply with telemarketing laws, rules and regulations on a local, state, and federal level, as applicable with respect to any contacts made by such party or its contractors, customers or affiliates. The term "telemarketing laws, rules and regulations" includes but is not limited to the Telemarketing Sales Rule and the Telephone Consumer Protection Act. OCC may supply leads and related information to Pearson in order for Pearson to perform the Pearson Services. In such instances, OCC represents, covenants, and warrants that each lead it supplies will satisfy the following criteria: (1) OCC has received a request from the lead that it expressly desires to receive additional information via telephone at a date certain, or (2) OCC has received an express request in writing to be contacted via telephone using a form which includes the number to be called and the lead's signature, or (3) the lead is not registered on any state or federal "Do Not Call Lists." Further, OCC will not provide any lead to Pearson if the lead has made a prior "Do Not Call" request to OCC. OCC acknowledges and agrees that it is responsible under this Agreement for the leads it obtains from its contractors, customers or affiliates. OCC and Pearson will work together to identify procedural changes or other measures that would reduce the likelihood of any issues in this area. If Pearson and OCC agree that Pearson will contact leads by any means or medium in addition to telephone (including, without limitation text messages or email), each party will be responsible for ensuring that any leads and other contacts provided by that party can be contacted without such contact resulting in the violation of any applicable federal, state, or local laws, rules, and regulations pertaining to the contact of persons or entities by such means or medium.

IX. GENERAL TERMS AND CONDITIONS
1. **Third Party Services.** If OCC elects to use third party products and/or services (collectively, the "Third Party Services") that are accessed through an integration from the LearningStudio to the third party’s applications, the privacy policies and other terms and conditions applicable to the use of such Third Party Services may differ from those applicable to the use of the LearningStudio or the Pearson Services, and OCC’s access to and use of the Third Party Services shall be subject to such policies and terms and conditions. To the extent that OCC’s use of such Third Party Services requires the transfer of, or access to, any OCC Information or other OCC data by the third party, OCC hereby expressly consents to such transfer and/or access. Pearson makes no representations or warranties as to the Third Party Services, either express or implied, including any implied warranties of merchantability, quality, accuracy, performance, fitness for a particular purpose, or non-infringement, and Pearson shall not be liable to OCC for any claims, expenses, costs or other damages of any kind, arising out of or relating to the Third Party Services or OCC’s use thereof. For purposes of clarification, products and services provided by Pearson under this Agreement shall not be considered to be Third Party Services.

2. **Notice.** Unless expressly stated otherwise herein, any notice, demand, request or delivery required or permitted to be given by a party pursuant to this Agreement shall be in writing and in each case addressed to the receiving party at such party’s address as set forth in this Agreement or as subsequently modified by the receiving party pursuant to written notice to the other party. Notices shall be effective upon receipt and shall be deemed to be received as follows: (a) when delivered personally, (b) if delivered by nationally recognized overnight courier, effective the business day following the date of shipment, or (c) if by U.S. mail (certified or registered mail return receipt requested, postage prepaid) the earlier of actual receipt or three business days from the date deposited in the mail. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be to the parties as set forth below:

3. Non-Exclusive Services. Pearson provides products and services to other educational institutions that may be similar to, or the same as, those offered as part of the Pearson Services.

4. Independent Contractors and Responsibility. The relationship between OCC and Pearson is limited solely to the activities, rights and obligations as set forth in this Agreement. Nothing in this Agreement shall be construed (i) to create or imply a general partnership, limited partnership or other legal entity between OCC and Pearson, (ii) to create any duties or obligations between OCC and Pearson except as expressly set forth herein, or (iii) to grant any direct or implied licenses or any other right other than as expressly set forth herein.

5. Publicity. OCC and Pearson, upon the execution of this Agreement, will agree upon the text and timing of an initial public announcement relating to the relationship established by this Agreement as soon as possible after the Effective Date (such agreement not to be unreasonably withheld or delayed); provided however that the parties acknowledge that OCC is a public institution and therefore subject to public records requests. Advance release of information related to this transaction by OCC in accordance with its policies shall not constitute a breach of this Agreement.

6. Mediation and Applicable Law. OCC and Pearson shall endeavor to resolve claims, disputes, and other matters in question between them by non-binding mediation. A request for mediation shall be filed in writing with the other party to this Agreement. Any such mediation will be deemed concluded on the 60th day following the request in the absence of a contrary agreement by the parties. This Agreement and all related disputes between the parties shall be construed under and controlled by the laws of the State of New Jersey, excluding its choice of law principles that would require the application of the laws of another jurisdiction.

7. Force Majeure. With the exception of a party's obligation to make payments due to the other party (whether based on services performed or guaranteed fees), neither party shall be considered to be in default as a result of its delay or failure to perform its obligations under this Agreement when such delay or failure arises out of causes beyond the reasonable control of the party. Such causes may include, but are not restricted to, acts of God or the public enemy, acts or requirements of any governmental authority, wars, insurrections, riots, blackouts, failure of third party communications services, explosions, earthquakes, lighting, wind, terrorism, attacks
on the LearningStudio (such as hacker activities and ping and denial of service attacks), sabotage, fires, floods, epidemics, strikes and unusually severe weather.

8. **Confidentiality.** Except to the extent counter to applicable law, Pearson and OCC agree to the following terms with respect to the treatment of confidential information. During the term of this Agreement, a party ("Receiving Party") may have disclosed to it or come in contact with information of the other party ("Disclosing Party") of a sensitive (as determined by the nature of the information itself or due to the circumstances of disclosure) or proprietary nature ("Confidential Information"). Confidential Information shall include the terms and conditions of this Agreement, as well as the proprietary information and materials provided or disclosed by each party to the other. Each party hereto represents to the other party that during the term of this Agreement and thereafter, it will not, directly or indirectly, use, disseminate or disclose the Confidential Information to any person or entity (other than to employees, agents and contractors who are bound by similar obligations of confidentiality) for any purpose or at any time, except as expressly authorized by the Disclosing Party or as needed to perform its obligations under this Agreement. The Receiving Party shall use the same standard of care to avoid disclosure of any Confidential Information as it uses with respect to its own confidential or proprietary information, provided that in no event shall the Receiving Party employ less than reasonable efforts to protect any Confidential Information of the other party. Confidential Information shall not include information which: i) is or becomes publicly known or available to the Receiving Party at or after the time of disclosure through no wrongful act of the Receiving Party; ii) is in the possession of or known to the Receiving Party at the time of disclosure without confidentiality restrictions; iii) is rightfully obtained by the Receiving Party from a third party; or iv) is independently developed by the Receiving Party. Notwithstanding anything to the contrary set forth in this section, any disclosure of confidential or proprietary information by means of a third-party attack, probe, theft, or other breach of network security (for which Pearson expressly disclaims all liability) shall not be deemed to be a breach of this section. The terms of this section shall supersede and replace any non-disclosure or confidentiality agreement entered into by the parties prior to the Effective Date. In addition, a party will not be considered to have breached its obligations under this section for disclosing Confidential Information of the Disclosing Party to the extent required to satisfy any legal requirement of a competent governmental authority or court order, provided that promptly upon receiving any such request and to the extent that it may legally do so, such party advises the Disclosing Party prior to making such disclosure in order that the Disclosing Party may object to such disclosure, take action to ensure confidential treatment of the Confidential Information, or take such other action as it considers appropriate to protect the Confidential Information disclosed pursuant to the requirement or request of a governmental agency or disclosure is required by operation of law.

9. **FERPA.** Pearson will not make available or distribute any student information in violation of the Family Educational Rights and Privacy Act. However, OCC acknowledges and agrees that, by granting user identifications and/or passwords, OCC controls, defines and manages access to OCC Information and related records and data that will be used within the LearningStudio. OCC is responsible for (a) compliance with all foreign and domestic privacy and student record laws and regulations that may be
applicable to OCC's use of the LearningStudio or the Pearson Services; (b) securing all necessary prior consents (if any are required) for the collection, storage and use of education records, data and personal information within the LearningStudio; and (c) the creation of, and compliance with, applicable policies regarding the access and use by OCC's authorized users of personally identifiable information stored on the LearningStudio.

10. Assignment. OCC shall not assign or otherwise transfer this Agreement, or any of its rights and obligations under this Agreement, without the prior written consent of Pearson, which consent shall not be unreasonably withheld, and any such attempted assignment or transfer without such consent will be null and void.

11. Non-Solicitation. Without the prior written consent of Pearson, OCC will not, during the term of this Agreement, and for a period of one (1) year following the termination or expiration of this Agreement, directly or indirectly, hire or solicit for employment any person then employed with Pearson, or employed with Pearson at any time during the prior six (6) months.

12. Limited Liability. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND OR NATURE WHATSOEVER, SUFFERED BY THE OTHER PARTY, INCLUDING WITHOUT LIMITATION LOST PROFITS OR GOODWILL, BUSINESS INTERRUPTIONS OR OTHER ECONOMIC LOSS ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ANY USE OF OR FAILURE TO BE ABLE TO USE THE LEARNINGSTUDIO OR THE PEARSON SERVICES. DURING THE FIRST TWELVE MONTHS FOLLOWING THE EFFECTIVE DATE, PEARSON'S MAXIMUM AGGREGATE LIABILITY UNDER THIS AGREEMENT WILL IN NO EVENT EXCEED THE TOTAL FEES PAID TO PEARSON BY OCC DURING THAT FIRST TWELVE MONTHS. THEREAFTER, PEARSON'S MAXIMUM AGGREGATE LIABILITY UNDER THIS AGREEMENT DURING EACH SUBSEQUENT TWELVE MONTH PERIOD WILL IN NO EVENT EXCEED THE TOTAL FEES PAID BY OCC TO PEARSON PURSUANT TO THIS AGREEMENT DURING THE IMMEDIATELY PRECEDING TWELVE MONTH PERIOD. THE LIMITATIONS SET FORTH IN THIS SECTION SHALL APPLY WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT, OR OTHERWISE, EVEN IF THE PARTY HAS BEEN WARNED OF THE POSSIBILITY OF ANY SUCH LOSS OR DAMAGE, AND EVEN IF ANY OF THE LIMITED REMEDIES IN THIS AGREEMENT FAILS OF THEIR ESSENTIAL PURPOSE.

13. Removal of OCC Information. If any OCC Information is or becomes, or in Pearson's opinion is (a) likely to become the subject of a claim that it infringes any party's patents or copyrights or misappropriates such third party's trade secrets, or (b) indecent, obscene, threatening, libelous, slanderous, defamatory, illegal, or otherwise unlawful or tortious, including material that is harmful to children or violates third party privacy or publicity rights, Pearson shall give OCC notice of the potential issue and Pearson may, without liability under the Agreement, remove such OCC Information from the LearningStudio until such time as the issue has been resolved to Pearson's satisfaction.
14. **Cooperation.** Pearson shall not be responsible for any delay in, or inability to perform, any services that results from a delay or failure in performance by OCC. OCC will make its management and technical personnel, who will work with Pearson and will perform those activities described as OCC’s responsibility in this Agreement or any Statement of Work, reasonably available to Pearson.

15. **Miscellaneous.** This Agreement (including its exhibits) sets forth the entire understanding of the parties with respect to the subject matter covered by the Agreement and supersedes any and all prior understandings, representations, proposals, communications and agreements, whether written or oral, between the parties with respect to such subject matter. This Agreement may only be amended in a writing executed by both parties. If purchase orders or other documents or acknowledgments are issued by OCC containing terms and conditions in addition to, modifying or contrary to the provisions of this Agreement, those terms and conditions are hereby specifically objected to and shall be of no force or effect; it being the parties’ intentions that this Agreement shall govern all matters relating to the subject matter herein. If any provision of this Agreement shall be invalid or unenforceable in any respect for any reason, the validity and enforceability of any such provision in any other respect and of the remaining provisions of this Agreement shall not be in any way impaired. No waiver of satisfaction of a condition or nonperformance of an obligation under this agreement will be effective unless it is in writing and signed by the party granting the waiver. No waiver of any provision of this Agreement shall constitute a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. Failure to enforce any provision of this Agreement shall not operate as a waiver of such provision or any other provision. The captions and headings in this Agreement are inserted only as a matter of convenience and for reference and in no way define the scope or content of this Agreement or the construction of any provision hereof or of any document or instrument referred to herein. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. Execution and delivery of this Agreement may be evidenced by facsimile or PDF transmission.

**IN WITNESS WHEREOF,** the persons executing this Agreement for and on behalf of the parties hereto represent that they are fully authorized to do so for and on behalf of their respective principals.
