Contractor further agrees that before it can access, create or maintain any Requesting Institution FERPA Records it will, in connection with each Project Addendum, execute and attach to each Project Addendum, FERPA Confidentiality & Security Addendum that tracks Exhibit E of this Agreement without deviation to ensure that Contractor complies with FERPA and Requesting Institution’s FERPA policies. Contractor also agrees to comply with the requirements set forth in this Section 11 as to all FERPA Records with the exception of any requirements that conflict with Exhibit E. To the extent that the Exhibit E conflicts with any term contained in this Agreement or a Project Addendum, the terms of the Exhibit E will prevail.
11.11.2 Notice of Impermissible Use. If an impermissible use or disclosure of any University Records occurs, Contractor will provide written notice to University and Requesting Institution within one (1) business day after Contractor's discovery of that use or disclosure. Contractor will promptly provide University and Requesting Institution with all information requested by University and Requesting Institution regarding the impermissible use or disclosure.

11.11.3 Return of University Records. With the exception of De-identified Student Data authorized by license agreement to be included in the cross-institutional database as described herein, Contractor agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all University and FERPA Records created or received from or on behalf of Requesting Institution will be (1) returned to Requesting Institution, with no copies retained by Contractor; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any University Records, Contractor will provide Requesting Institution with written notice of Contractor's intent to destroy University Records. Within five (5) days after destruction, Contractor will confirm to Requesting Institution in writing the destruction of University Records.

11.11.4 Disclosure. If Contractor discloses any University Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor by this Section.

11.11.5 Press Releases. Except when defined as part of the Services, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor as an independent contractor of University in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of University.

11.11.6 Public Information. University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act ("TPIA"), Chapter 552, Texas Government Code. In accordance with Section 552.002 of TPIA and Section 2252.007, Texas Government Code, and at no additional charge to University, Contractor will make any information created or exchanged with University pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by University that is accessible by the public.

11.11.7 Termination. In addition to any other termination rights set forth in this Agreement and any other rights at law or equity, if University reasonably determines that Contractor has breached any of the restrictions or
obligations set forth in this Section, University may immediately
terminate this Agreement without notice or opportunity to cure.

11.11.8 Duration. The restrictions and obligations under this Section will survive
expiration or termination of this Agreement for any reason.

11.12 Binding Effect. This Agreement will be binding upon and inure to the benefit of the
parties hereto and their respective permitted assigns and successors.

writing.

or other person or address as may be given in writing by University to Contractor in accordance with this Section.

11.15 **Severability.** In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

11.16 **State Auditor's Office.** Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "Auditor"), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), Texas Education Code. Contractor agrees to cooperate with the Auditor in the conduct of the audit or investigation, including providing all records requested. Contractor will include this provision in all contracts with subcontractors.

11.17 **Limitation of Liability.** EXCEPT FOR UNIVERSITY'S OBLIGATION (IF ANY) TO PAY CONTRACTOR CERTAIN FEES AND EXPENSES UNIVERSITY WILL HAVE NO LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UNIVERSITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED ENTERPRISE, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UNIVERSITY, OR THE UNIVERSITY OF TEXAS SYSTEM, OR ANYONE CLAIMING UNDER UNIVERSITY HAS OR WILL HAVE ANY PERSONAL LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.

11.18 **Survival of Provisions.** No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including Sections 5.8, 8, 11.5, 11.9, 11.10, 11.11, 11.13, 11.15, 11.17, 11.19 and 11.21.

11.19 **Breach of Contract Claims.**

11.19.1 To the extent that Chapter 2260, Texas Government Code, as it may be amended from time to time ("Chapter 2260"), is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor:
11.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

11.19.1.2 If the parties are unable to resolve their disputes under Section 11.19.1.1, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

11.19.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, Texas Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

11.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.
11.19.3 University and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

11.20 Undocumented Workers. The Immigration and Nationality Act (8 United States Code 1324a) ("Immigration Act") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form ("I-9 Form") as the document to be used for employment eligibility verification (8 Code of Federal Regulations 274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual’s national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, University may terminate this Agreement in accordance with Section 8. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

11.21 Limitations. The Parties are aware that there are constitutional and statutory limitations on the authority of University (a state agency) to enter into certain terms and conditions that may be a part of this Agreement, including those terms and conditions relating to liens on University’s property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys’ fees; dispute resolution; indemnities; and confidentiality (collectively, the "Limitations"), and terms and conditions related to the Limitations will not be binding on University except to the extent authorized by the laws and Constitution of the State of Texas.

11.22 Ethics Matters; No Financial Interest. Contractor and its employees, agents, representatives and subcontractors have read and understand University’s Conflicts of Interest Policy available at: http://www.utsystem.edu/policy/policies/int160.html, University’s Standards of Conduct Guide available at: http://www.utsystem.edu/systemcompliance/SOCcombined.pdf, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University’s Conflicts of Interest Policy, provisions described by University’s Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that
no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

11.23 Historically Underutilized Business Subcontracting Plan. Contractor agrees to use good faith efforts to subcontract the Services in accordance with the Historically Underutilized Business Subcontracting Plan ("HSP") (ref. Exhibit E). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, "TPSS"). Submission of compliance reports will be required as a condition for payment under this Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108. University may also revoke this Agreement for breach and make a claim against Contractor.

11.23.1 Changes to the HSP. If at any time during the term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.14; (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with Section 11.6 to replace the HSP with the revised subcontracting plan.

11.23.2 Expansion of the Services. If University expands the scope of the Services through a change order or any other amendment, University will determine if the additional Services contains probable subcontracting opportunities not identified in the initial solicitation for the Services. If University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (a) this Agreement may be amended to include the additional Services; or (b) Contractor may perform the additional Services. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with 34 TAC Section 20.14, Contractor will be deemed to be in breach of this Agreement under Section 8 and will be subject to any remedial actions provided by Texas law including Chapter 2161, Texas Government Code and 34 TAC Section 20.14. University may report nonperformance under
this Agreement to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108.

11.24 Certifications of Nonsegregated Facilities and Equal Employment Opportunities Compliance. Contractor certifies that, except for restrooms and washrooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. A breach of this certification is a violation of the Equal Opportunity clause. The term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, entertainment areas, and transportation or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Contractor further agrees that, except where it has contracts prior to the award with subcontractors exceeding $10,000 which are not exempt from the provisions of the Equal Opportunity clause, Contractor will retain the certifications for each one of its subcontractors in Contractor's files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding $10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Contractor understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

11.25 Debarment. Contractor confirms that neither Contractor nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States ("U.S.") federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs (http://www.epis.gov/) issued by the U.S. General Services Administration. "Principals" means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Contractor will provide immediate written
notification to University if, at any time prior to award, Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when University executes this Agreement. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to University, University may terminate this Agreement for default by Contractor.

11.26 Office of Inspector General Certification. Contractor acknowledges that University is prohibited by federal regulations from allowing any employee, representative, agent or subcontractor of Contractor to work on site at University's premises or facilities if that individual is not eligible to work on federal healthcare programs including Medicare, Medicaid, or other similar federal programs. Therefore, Contractor will not assign any employee, representative, agent or subcontractor that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General ("OIG") to work on site at University's premises or facilities. Contractor will perform an OIG sanctions check quarterly on each of its employees, representatives, agents, and subcontractors during the time the employees, representatives, agents, or subcontractors are assigned to work on site at University's premises or facilities. Contractor acknowledges that University will require immediate removal of any employee, representative, agent, or subcontractor of Contractor assigned to work at University’s premises or facilities if the employee, representative, agent, or subcontractor is found to be on the OIG's List of Excluded Individuals. The OIG's List of Excluded Individuals may be accessed through the following Internet website: [http://www.oig.hhs.gov/fraud/exclusions/exclusions_list.asp](http://www.oig.hhs.gov/fraud/exclusions/exclusions_list.asp).

11.27 Access to Documents. To the extent applicable to this Agreement, in accordance with Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. 1395x) as amended, and the provisions of 42 CFR Section 420.300, et seq., Contractor will allow, during and for a period of not less than four (4) years after the expiration or termination of this Agreement, access to this Agreement and its books, documents, and records; and contracts between Contractor and its subcontractors or related organizations, including books, documents and records relating to same, by the Comptroller General of the United States, the U.S. Department of Health and Human Services and their duly authorized representatives.

11.28 Security Characteristics and Functionality of Proposer's Information Resources. Contractor's response to RFP No. ITL01202014-R, Appendix Four, “Security Characteristics and Functionality of Contractor’s Information Resources” ("Appendix Four Responses") dated December 6, 2013 are incorporated herein for all purposes and establishes specifications, representations, warranties and agreements related to the products and services Contractor is providing to University under this Agreement. These specifications, representations, warranties and agreements are binding on Contractor. Contractor agrees to perform the Work in compliance with its Appendix Four
Responses, and will provide University prior written notice of a change to Contractor's data center or cloud computing subcontractor(s).

11.29 EIR Environment Specifications. Contractor's response to RFP No. ITL01202014-R Appendix Three ("Appendix Three Responses"), attached and incorporated for all purposes, establishes specifications, representations, warranties and agreements related to the environment specifications of EIR that Contractor is providing to University under this Agreement. The specifications, representations, warranties and agreements set forth in Appendix Three Responses are binding on Contractor. Contractor agrees to perform the Work in compliance with Appendix Three Responses.

(related services)  
RFP No. ITL01202014R

Dear Mr. Hay,

In accordance with the requirements outlined in the specification section "HUB Participation Program," I am pleased to forward this HUB Subcontracting Plan as an integral part of our response in connection with your invitation for Request for Proposals referencing the above project.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs). I also understand the State of Texas Annual Procurement Goal according to 34 Texas Administrative Code Section 20.13 and the goal as stated in Agency Special Instructions section of the HUB Subcontracting Plan, page 9.

Select one of the following:

- 23.4% for all building construction, including general contractors and operative builders contracts
- 32.7% for all special trade construction contracts
- 23.6% for professional services contracts
- 24.6% for all other services contracts
- 34% for commodities contracts

I understand the above HUB percentages must represent Texas Comptroller HUB certification standards. For each of the listed HUB firms, I have attached a Texas Comptroller certification document, or, if the HUB is certified by another Texas Comptroller approved certifying agency, a copy of their approved certification document.

Should we discover additional subcontractors claiming Historically Underutilized Business status during the course of this contract we will notify you of the same. In addition, if for some reason a HUB is unable to fulfill its contract with us, we will notify you immediately in order to take the appropriate steps to amend this contractual obligation.

Sincerely,

SECTION 4  AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract; the contract award number; the subcontracting opportunity they (the subcontractor) will perform; the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmenttrpt.xls).

- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency’s prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company’s headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.
