11.11.2 Notice of Impermisible Use. If an impermissible use or disclosure of any University Records occurs, Contractor will provide written notice to University and Requesting Institution within one (1) business day after Contractor's discovery of that use or disclosure. Contractor will promptly provide University and Requesting Institution with all information requested by University and Requesting Institution regarding the impermissible use or disclosure.

11.11.5 Press Releases. Except when defined as part of the Services, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor as an independent contractor of University in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of University.

11.11.6 Public Information. University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act ("TPIA"), Chapter 552, Texas Government Code. In accordance with Section 552.002 of TPIA and Section 2252.907, Texas Government Code, and at no additional charge to University, Contractor will make any information created or exchanged with University pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by University that is accessible by the public.

11.11.7 Termination. In addition to any other termination rights set forth in this Agreement and any other rights at law or equity, if University reasonably determines that Contractor has breached any of the restrictions or

Email: LegalNotices@utsystem.edu

or other person or address as may be given in writing by University to Contractor ir accordance with this Section.

11.15 Severability. In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will no: affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor’s Office, or any successor agency (collectively, “Auditor”), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.5335(c), 73.115(c) and 74.008(c), Texas Education Code. Contractor agrees to cooperate with the Auditor in the conduct of the audit or investigation, including providing all records requested. Contractor will include this provision in all contracts with subcontractors.

11.17 Limitation of Liability. EXCEPT FOR UNIVERSITY’S OBLIGATION (IF ANY) TO PAY CONTRACTOR CERTAIN FEES AND EXPENSES UNIVERSITY WILL HAVE NO LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UNIVERSITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED ENTERPRISE, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UNIVERSITY, OR THE UNIVERSITY OF TEXAS SYSTEM, OR ANYONE CLAIMING UNDER UNIVERSITY HAS OR WILL HAVE ANY PERSONAL LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.

11.18 Survival of Provisions. No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including Sections 5.8, 8, 11.5, 11.9, 11.10, 11.11, 11.13, 11.16, 11.17, 11.19 and 11.21.

11.19.1 To the extent that Chapter 2260, Texas Government Code, as it may be amended from time to time (“Chapter 2260”), is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor.
11.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

11.19.1.2 If the parties are unable to resolve their disputes under Section 11.19.1.1, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

11.19.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, Texas Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

11.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.
11.19.3 University and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

11.20 Undocumented Workers. The Immigration and Nationality Act (8 United States Code 1324a) ("Immigration Act") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form ("I-9 Form") as the document to be used for employment eligibility verification (8 Code of Federal Regulations 274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen or another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, University may terminate this Agreement in accordance with Section 8. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

11.21 Limitations. The Parties are aware that there are constitutional and statutory limitations on the authority of University (a state agency) to enter into certain terms and conditions that may be a part of this Agreement, including those terms and conditions relating to liens on University's property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys' fees; dispute resolution; indemnities; and confidentiality (collectively, the "Limitations"), and terms and conditions related to the Limitations will not be binding on University except to the extent authorized by the laws and Constitution of the State of Texas.

11.22 Ethics Matters; No Financial Interest. Contractor and its employees, agents, representatives and subcontractors have read and understand University's Conflicts of Interest Policy available at: http://www.utsystem.edu/policy/policies/int160.html, University's Standards of Conduct Guide available at: http://www.utsystem.edu/systemcompliance/SOCcombined.pdf, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University's Conflicts of Interest Policy, provisions described by University's Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that
no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

11.23 Historically Underutilized Business Subcontracting Plan. Contractor agrees to use good faith efforts to subcontract the Services in accordance with the Historically Underutilized Business Subcontracting Plan ("HSP") (ref. Exhibit D). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, "TPSS"). Submission of compliance reports will be required as a condition for payment under this Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108. University may also revoke this Agreement for breach and make a claim against Contractor.

11.23.1 Changes to the HSP. If at any time during the term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.14; (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with Section 11.6 to replace the HSP with the revised subcontracting plan.

11.23.2 Expansion of the Services. If University expands the scope of the Services through a change order or any other amendment, University will determine if the additional Services contains probable subcontracting opportunities not identified in the initial solicitation for the Services. If University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (a) this Agreement may be amended to include the additional Services; or (b) Contractor may perform the additional Services. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with 34 TAC Section 20.14, Contractor will be deemed to be in breach of this Agreement under Section 8 and will be subject to any remedial actions provided by Texas law including Chapter 2161, Texas Government Code and 34 TAC Section 20.14. University may report nonperformance under
this Agreement to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108.

11.24 Certifications of Nonsegregated Facilities and Equal Employment Opportunities Compliance. Contractor certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. A breach of this certification is a violation of the Equal Opportunity clause. The term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, entertainment areas, and transportation or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Contractor further agrees that, except where it has contracts prior to the award with subcontractors exceeding $10,000 which are not exempt from the provisions of the Equal Opportunity clause, Contractor will retain the certifications for each one of its subcontractors in Contractor's files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding $10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Contractor understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

11.25 Debarment. Contractor confirms that neither Contractor nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States ("U.S.") federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs (http://www.epis.gov/) issued by the U.S. General Services Administration. "Principals" means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Contractor will provide immediate written
notification to University if, at any time prior to award, Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when University executes this Agreement. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to University, University may terminate this Agreement for default by Contractor.

11.26 Office of Inspector General Certification. Contractor acknowledges that University is prohibited by federal regulations from allowing any employee, representative, agent or subcontractor of Contractor to work on site at University's premises or facilities if that individual is not eligible to work on federal healthcare programs including Medicare, Medicaid, or other similar federal programs. Therefore, Contractor will not assign any employee, representative, agent or subcontractor that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General ("OIG") to work on site at University's premises or facilities. Contractor will perform an OIG sanctions check quarterly on each of its employees, representatives, agents, and subcontractors during the time the employees, representatives, agents, or subcontractors are assigned to work on site at University's premises or facilities. Contractor acknowledges that University will require immediate removal of any employee, representative, agent, or subcontractor of Contractor assigned to work at University's premises or facilities if the employee, representative, agent, or subcontractor is found to be on the OIG's List of Excluded Individuals. The OIG's List of Excluded Individuals may be accessed through the following Internet website: http://www.oig.hhs.gov/fraud/exclusions/exclusions_list.asp.

11.27 Access to Documents. To the extent applicable to this Agreement, in accordance with Section 1861(v)(l)(l) of the Social Security Act (42 U.S.C. 1395x) as amended, and the provisions of 42 CFR Section 420.300, et seq., Contractor will allow, during and for a period of not less than four (4) years after the expiration or termination of this Agreement, access to this Agreement and its books, documents, and records; and contracts between Contractor and its subcontractors or related organizations, including books, documents and records relating to same, by the Comptroller General of the United States, the U.S. Department of Health and Human Services and their duly authorized representatives.

11.28 Security Characteristics and Functionality of Proposer's Information Resources. Contractor's response to RFP No. ITL01202014-R, Appendix Four, "Security Characteristics and Functionality of Contractor's Information Resources" ("Appendix Four Responses") dated December 6, 2013 are incorporated herein for all purposes and establishes specifications, representations, warranties and agreements related to the products and services Contractor is providing to University under this Agreement. These specifications, representations, warranties and agreements are binding on Contractor. Contractor agrees to perform the Work in compliance with its Appendix Four
Responses, and will provide University prior written notice of a change to Contractor’s data center or cloud computing subcontractor(s).

11.29 EIR Environment Specifications. Contractor’s response to RFP No. ITL01202014-R Appendix Three (“Appendix Three Responses”), attached and incorporated for all purposes, establishes specifications, representations, warranties and agreements related to the environment specifications of EIR that Contractor is providing to University under this Agreement. Dear Mr. Hay:

In accordance with the requirements outlined in the specification section "HUB Participation Program," I am pleased to forward this HUB Subcontracting Plan as an integral part of our proposal in connection with your invitation for request for proposals, referencing Project Number ITL01202014-R.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs).

Good Faith Effort will be documented by a two part HUB Subcontracting Plan (HSP) process. Part one (1) of the HSP submission will reflect self-performance with the appropriate sections completed per the Instructions in Option One of the HSP Quick Checklist located on page 9 of The University of Texas Exhibit H Policy on Utilization of Historically Underutilized Businesses (HUBs).

As the scope of work/project is defined under this ID/IQ contract, part two (2) of the process will require a revised HUB Subcontracting Plan (HSP) and the Good Faith Effort will be documented per instructions in Attachment B (page 15-16) and Option Four of the HSP Quick Check List. The revised HUB Subcontracting Plan will be submitted to the HUB Coordinator prior to execution of each contract process. Documentation of subcontracted work will be provided with each pay request.

Sincerely,

[Signature]

Quincy Lowman

- Respondents who intend to Self-Perform all of their work shall submit an HSP for Self Performance HUB Subcontracting Plan (HSP).
- Prime Contractor Progress Assessment Report (PAR) shall be submitted with each request for payment as a condition of payment.

### SECTION 2. SUBCONTRACTING INTENTIONS (CONTINUATION SHEET)

a. This page can be used as a continuation sheet to the HSP Form's page 2, SECTION 2, item b. Continue listing the portions of work (subcontracting opportunities) you will subcontract. Also, based on the total value of the contract, identify the percentages of the contract you expect to award to Texas certified HUBs, and the percentage of the contract you expect to award to vendors that are not a Texas certified HUB (i.e., Non-HUB).
(Note: If you have more than fifteen subcontracting opportunities, a continuation sheet is available online at http://window.state.tx.us/procurement/psg/hub/subcontracting-plan)

c. Check the appropriate box (Yes or No) that indicates whether you will be using only Texas certified HUBs to perform all of the subcontracting opportunities you listed in SECTION 2, Item b.

☐ - Yes (If Yes, continue to SECTION 4 and complete an "HSP Good Faith Effort - Method A (Attachment A)" for each of the subcontracting opportunities you listed.)
☒ - No (If No, continue to item d, of this SECTION.)

d. Check the appropriate box (Yes or No) that indicates whether the aggregate expected percentage of the contract you will subcontract with Texas certified HUBs with which you have a continuous contract* in place with for five (5) years or less meets or exceeds the HUB goal the contracting agency identified on page 1 in the "Agency Specific Instructions/Additional Requirements".

☐ - Yes (If Yes, continue to SECTION 4 and complete an "HSP Good Faith Effort - Method A (Attachment A)" for each of the subcontracting opportunities you listed.)
☒ - No (If No, continue to SECTION 4 and complete an "HSP Good Faith Effort - Method B (Attachment B)" for each of the subcontracting opportunities you listed.)

*Continuous Contract: Any existing written agreement (including any renewals that are continued) between a prime contractor and a HUB vendor, whereby the HUB vendor provides the prime contractor with goods or services under the same contract for a specified period of time. The provision that the HUB vendor is employed or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap time another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering into new contracts.
SECTION 3. SELF-PERFORMING JUSTIFICATION (If you answered "No" to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.)

Check the appropriate box (Yes or No) that indicates whether your response/proposal contains an explanation demonstrating how your company will perform the entire contract with its own resources.

☐ Yes (If Yes, in the space provided below list the specific page(s)/section(s) of your proposal which explains how your company will perform the entire contract with its own equipment, supplies, materials and/or employees.)

☐ No (If No, in the space provided below explain how your company will perform the entire contract with its own equipment, supplies, materials and/or employees.)

SECTION 4. AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

• The respondent will provide notice as soon as practicable to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.

• The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at http://www.window.state.ia.us/procurement/program/subcontractor/progressreport.pdf).

• The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, a respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

• The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

Enter the item number and description of the subcontracting opportunity you listed in SECTION 2, item b, of the completed HSP form for which you are completing this attachment.

Item #: 1 Description: Instructional design services

SECTION B-2: MENTOR PROTÉGÉ PROGRAM

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in SECTION B-1, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

☐ - Yes (If Yes, continue to SECTION B-4.)
☐ - No or Not Applicable (If No or Not Applicable, continue to SECTION B-3 and SECTION B-4.)

SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you MUST comply with items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and minority or women trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notices of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at http://www.window.state.tx.us/procurement/prop/hub/hub-subcontracting-plan/

Retain supporting documentation (e.g., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and minority or women trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the minority or women trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to your submitting your bid response to the contracting agency. When searching for Texas certified HUBs, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) and Historically Underutilized Business (HUB) Search directory located at http://www.window.state.tx.us/procurement/cmb/cmbhub.html. HUB Status code “A” signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Vendor ID (VID) number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

c. Provide written notice of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more minority or women trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to minority or women trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program's webpage at http://www.window.state.tx.us/procurement/prop/hub/mwb-links-1/

# HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of $100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 TexAS Admin Code, §21.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified Hubbs (who work within the respective industry applicable to the subcontracting opportunity), and allow the Hubbs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more minority or women trade organizations or development centers at least seven (7) working days prior to submitting its bid response to the contracting agency.

We respectfully request that vendors interested in bidding on the subcontracting opportunity scopes of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point of contact referenced in Section A.

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in SECTION B-1, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specified portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

☐ - Yes (if Yes, to continue to SECTION B-4.)
☐ - No / Not Applicable (if No or Not Applicable, continue to SECTION B-3 and SECTION B-4.)

SECTION B-3 NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you MUST comply with Items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and minority or women trade organizations or development centers about the subcontracting opportunity listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at http://www.window.state.tx.us/procurement/prop/hub/hub-subcontracting-plan/.

Retain supporting documentation (e.g., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and minority or women trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the minority or women trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to submitting your bid responsive to the contracting agency. When searching for Texas certified HUBs, ensure that you use the State of Texas Centralized Master Bidders List (CMBL) and Historically Underutilized Business (HUB) Search directory located at http://www.window.state.tx.us/procurement/cmbl/cmblhub.html. HUB Status code “A” signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Vendor ID (VID) number, the date you sent notice to that company, and indicate whether it was responsive or not responsive to your subcontracting opportunity notice.

c. Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more minority or women trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to minority or women trade organizations or development centers at least seven (7) working days prior to submitting your bid responsive to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program’s webpage at http://www.window.state.tx.us/procurement/prop/history/hub-links-1/.

HISTORICALLY UNDERUTILIZED BUSINESS (HUB) PARTICIPATION

HSP Requirement

Elephant Productions certifies that it has reviewed the appropriate rules and code regarding the requirements of HUB Subcontracting Plans (HSPs).

HSP Submission and University of Texas Review

The following pages contain our HSP. It consists of:

- Overview and methodology employed in the Good Faith Effort.
- HSP Section 1 (Respondent information).
- HSP Section 2 (Subcontracting intentions and opportunity descriptions).
- HSP Section 4 (Affirmation).
- Detail document outlining the HUBS and trade organizations we notified and their contact details.

And then, for each subcontracting opportunity that we identified:

- HSP Good Faith Effort – Method B (attachment B)
- Copies of time-stamped e-mail messages to (at least) 3 Texas-certified HUB vendors in good status.
- Copies of time-stamped e-mail messages to (at least) 2 minority or women trade organizations.
- Copies of the HUB Subcontracting Opportunity Notification Form that we sent in our e-mails.
- Copies of our own form that we sent in our e-mails, providing more detailed information and descriptions of the opportunities for potential bidders.

Note: The RFP from the University is for a master contract and did not have specifications for a particular project or product which makes it difficult to identify potential sub-contracts or to obtain any pricing from the ones we did identify. If chosen as a vendor to the University Elephant Productions anticipates amending our HUB report once there are more details.

Requirements for Completing the HSP Forms

Elephant Productions has completed for 1 through 4 as suggested by the University and we will amend the HUB report once we have more information and specifications for each project. Hopefully we will be able to identify more subcontract opportunities.

Elephant Productions does intend to subcontract and has completed all appropriate diligence for the HSP Good Faith Effort - Method B.
Subcontracting Opportunities

Elephant Productions has identified the following potential subcontracting opportunities. Further detail on each of the identified opportunities and our outreach efforts for each can be found in the following pages of this HSP.

1) Opportunity: Instructional design
2) Opportunity: Closed-captioning Services

Post Contract Award

Elephant Productions acknowledges, and will comply with all requirements as outlined in Appendix Two.

Elephant Productions HSP, Overview and methodology employed in the Good Faith Effort.

We have identified couple of known potential subcontracting opportunities in our approach to this proposal.

In most categories, we began with a narrowed geographical search for vendors in Travis County. This is a preference based on the desire for rapid customer service and response.

We also evaluated the overall business offerings of potential vendors, and considered whether the specific service for which we were searching was an ancillary, or an integral part of their overall business.

In all cases we reached out to at least three HUBs. Each notice included the HUB Subcontracting Opportunity Form but, also attached a document containing more detail than the form allowed space for.

We also sent each opportunity, with both attachments, to three minority or women trade organizations.

The HSP Good Faith Effort – Method B (attachment B) Form in this HSP lists only the first three HUBs and the first two minority or women trade groups. The others are included in our list of contacts in the following pages.

FERPA CONFIDENTIALITY & SECURITY ADDENDUM

This Confidentiality and Security Addendum ("Addendum") is made and entered into effective as of [_______] (the "Effective Date") by and between The University of Texas [_______], an agency and institution of higher education established under the laws of the State of Texas ("Requesting Institution") and [_______] ("Contractor"), (collectively "the Parties"). The purpose of this Addendum is to provide the terms under which Contractor is required to maintain the confidentiality and security of any and all University records subject to the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g ("FERPA") which Contractor will create, receive and/or maintain on behalf of Requesting Institution pursuant to the Non-Exclusive Master Services Agreement dated [_______], 2014 ("the Underlying Agreement").

1. **FERPA.** The Parties understand and agree that:

   a. As part of the Services that Contractor will provide pursuant to the Underlying Agreement, Contractor will be expected to receive, maintain and or create records or record systems from or on behalf of Requesting Institution that are subject to that are or contain personally identifiable information from Education Records subject to "FERPA" (collectively "FERPA Records") namely: information about students and faculty collected from existing Requesting Institution information technology systems, e.g. SIS, LMS, CRM, etc. Such FERPA Records include any data in any form whatsoever, including electronic, written and machine readable form.

   b. Notwithstanding any other provision of the Underlying Agreement, this Addendum or any other agreement, all FERPA Records created, received and/or maintained by Contractor pursuant to this Agreement will remain the property of the Requesting Institution.

2. **FERPA Compliance.** As to all FERPA Records that Contractor may create, receive or maintain on behalf of Requesting Institution pursuant to the Underlying Agreement, Contractor is designated as a University Official with respect to such FERPA Records only to the extent to which Contractor is required to create, receive or maintain FERPA Records to carry out the Underlying Agreement and understands and agrees to all of the following without reservation:

   (a) **Prohibition on Unauthorized Use or Disclosure of FERPA Records:** Contractor shall hold Requesting Institution’s FERPA Records in strict confidence. Contractor shall not use or disclose FERPA Records received from or on behalf of Requesting Institution, including any FERPA Records provided by a University student directly to Contractor, except as permitted or required by the Underlying Agreement, this Addendum, or a Project Addendum.

   (b) **Maintenance of the Security of FERPA Records:** Contractor shall use the administrative, technical and physical security measures, including secure encryption approved by University in compliance with UT System Information and Resource Use & Security Policy, UT 165,
http://www.utsystem.edu/bor/procedures/policy/policies/ults165.html to preserve the confidentiality and security of all FERPA Records received from, or on behalf of Requesting Institution, its students or any third party pursuant to the Underlying Agreement.

(c) Reporting of Unauthorized Disclosures or Misuse of FERPA Records and Information: Contractor, within one day of discovery, shall report to Requesting Institution any use or disclosure of FERPA Records not authorized by this Addendum. Contractor's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the FERPA Records used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or shall take to prevent future similar unauthorized use or disclosure. Contractor shall provide such other information, including a written report, as reasonably requested by Requesting Institution. For purposes of this subsection (c), an unauthorized disclosure or use includes any access or use of an Education Record by a Contractor employee or agent that the employee or agent does not require to perform a Service or access by any employee or agent that does not involve the provision of such Services.

(d) Right to Audit: Upon reasonable notice, Requesting Institution maintains the right to audit, upon University's reasonable belief that Contractor is not in material compliance with the terms of this Addendum or Contractor's compliance with FERPA as to Requesting Institution's FERPA Records maintained by Contractor. Nothing herein shall be construed to include a right to computer hacking for security or vulnerability tests or for any other purpose. Any such audit conducted under this Section shall: (i) be limited to the Contractor's facilities, systems and operations relating to the FERPA Records; (ii) occur during normal business hours; and (iii) shall not interfere with Contractor's normal business operations. Further, prior to conducting any such audit, all individuals performing such audit shall sign a confidentiality agreement acceptable to both parties.

(e) Five Year Exclusion for Improper Disclosure of Education Records. Under the federal regulations implementing FERPA, improper disclosure or redisclosure of personally identifiable information from Requesting Institution's Education Records by Contractor or its employees or agents may result in Contractor's complete exclusion from eligibility to contract with the Requesting Institution.

3. **Return of FERPA Records.** Contractor agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all FERPA Records created or received from or on behalf of Requesting Institution will be (1) returned to Requesting Institution, with no copies retained by Contractor; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any FERPA Records, Contractor will provide Requesting Institution with written notice of Contractor's intent to destroy FERPA Records. Within five (5) days after destruction, Contractor will confirm to Requesting Institution in writing the destruction of FERPA Records.
4. **Disclosure.** Contractor will restrict disclosure of the FERPA Records solely to those employees, subcontractors, or agents of Contractor that have a need to access the FERPA Records in order for Contractor to perform its obligations under this Addendum. If Contractor discloses any FERPA Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with restrictions and obligations that align with the restrictions and obligations imposed on Contractor by this Agreement, including requiring each subcontractor or agent to agree to such restrictions and obligations in writing.

5. **Termination.** This Addendum shall remain in effect until Requesting Institution ceases to obtain Services from Contractor or University that involve FERPA terminates this Addendum by giving Contractor ___30__ days' notice of its intent to terminate.
